

BRAVES BREAK YANK WIN STREAK, 15-12

Olympic Team Final Trials Open Tomorrow

Tomorrow night, and Saturday afternoon, the answer to the big question as to which athletes will represent the United States in track and field competition at the Olympic Games in Melbourne will be answered.

A crowd, expected to reach 50,000, will be on hand at the Los Angeles Coliseum to observe the final competition for the first three places in 17 events.

At least 15 of the nation's top athletes will toe the mark in each event. Competitors in these final trials will include such former Olympians as Parry O'Brien, shotput king; Bob Richards, skyscraping pole-vaulter; Horace Ashenfelter, 1952 Olympic steeplechase champion; and Bud Held in the javelin throw.

Sime In
Dave Sime, the sprinter who qualified for the finals in only the 100 meter dash, has been added to the tryout field in the 200 meter sprint, in an unprecedented move by the meet officials.

The bulk of tomorrow's activity begins with field events at 7:30 p.m., although trial throws and finals in the hammer will be determined at 4 p.m.

Finals Tomorrow
Finals tomorrow include the javelin, shot-put, broad-jump, high jump, 5000 meter run, 100 meter dash, and the 400 meter hurdles.

Saturday action starts at 2 p.m. Such standouts as Jack Davis, high hurdles; Bobby Morrow, top man in the 200 meters; and Lou Jones and Jim Lea, 400 meter dash, will have their last chance to make the team for the Melbourne trip.

Reserve seat tickets for both days, are now on sale at the Coliseum, USC and UCLA, at \$5 per copy. Reserved seats for either Friday or Saturday are on sale at the same locations for \$9. General admission seats are \$3; general admission for college students is \$1.50; high school students \$1.00; service men in uniform \$1.50, and children under 12 will be admitted for 50 cents on each day.

All tickets will be on sale in the Coliseum booth from 9:30 a.m. on both days of the meet.

Twenty-four TORRANCE HERALD JUNE 28, 1956

UNPRECEDENTED ACTION . . . Dave Sime, Duke University, recently granted special permission by the AAU to compete in the 200-meter dash at the final Olympic trials Friday night and Saturday afternoon at the Coliseum, will be off his marks in an effort to catch Athlete Christian's Bobby Morrow in both the sprints for the 1956 Olympics.

Bluebird Singles Nip Normandale As Local Club Takes Harbor Win

Four runs in the first and eight more in the fourth were more than enough as the Torrance Bluebirds ran over the Normandale Stars, 19-8, in Harbor League play at Normandale.

Bird batsmen were unable to hit the long ball, but the 19 singles racked up provided all the bases needed for the win.

Crawford, 5 for 6
Shortstop Bill Crawford led the locals at the plate with five singles for two runs in six times up. Third baseman Jim Murphy had one of the two local extra base hits, a double, to go with a pair of singles in five trips to the plate.

Swayne Johnson and Hank Camou called twin batting marks, as each came up with three singles and three runs in six at-bats. The only Torrance extra base hit came from the bat of catcher Carl

Rome Wins Close 3-2 Game From Guard

Monday.
Rome Cable was back in the City League win column with a close 3-2 win over the National Guard nine in the first game of a double header at Torrance Park.

Al Nelson was the winning pitcher, allowing the Guardsmen but six well scattered hits. Charlie Camou took the mound for the losers and gave up but three hits in a steady mound effort.

Last half of the double bill wound up with the Pittsburgh Pirates dumping the league-leading Longren Aeros, 3-1, to go into a tie for first place.

Pitt runs were scored by Rich Lindenberg, Deb Reeder and Hank Hazelwood. Longren's sole score came in the second inning when Gabby DiSanto doubled, went to third on George Wiley's single and came home on Fred Bingham's two-bagger.

Dick New was tagged for the Aeros' loss, their second of the season.

Tuesday
A Service Club Slo-Pitch double header went into the records at Torrance Park with the Rotary topping the Jaycees, 7-4, and Fire Dept. B, overwhelming the Kiwanians, 19-6.

MOORE STARS IN TRIBE WIN

The National Little League Braves scored the biggest upset of the season, and their second win, as they came from behind to down the league-leading Yankees, 15-12.

Pete Moore was the stand-out Tribesman for the game, going the route for the winners on the mound, and sharing top batting honors for the contest with Les Stanton.

Howard Taylor hit a homer for the Yanks, while Cliff Crain and Steve McGuire shared top hitting honors.

The Yanks scored twice in the first frame and held the Braves to one run to take a 2-1 lead at the start. The Tribe went ahead in the second inning after holding the league leaders scoreless on a three-run rally to make it 4-2.

The Bombers pushed across one run in the top of the third, but the Braves matched that and added one to boost their lead to 6-3.

In the fourth inning the Yanks rallied for four runs, held the Braves scoreless to take a 7-6 lead. Both teams went scoreless in the fifth frame.

With one inning to go, the Yankees came to bat and proceeded to build what looked like a winning lead on five runs to go 'way in front, 12-6.

At this point the Braves put together an amazing nine-run rally to take the win, 15-12.

IN HOT PURSUIT . . . The Porsche Carrera, car number 86, driven by Dale Johnson got close, but not quite close enough as the Austin-Healey, number 25, finished some nine seconds ahead of the local driver in a production go at the Pomona Road Races last week end.

Johnson Takes Win, Raville Third In First Running of Pomona Races

Mechanical difficulties took the edge off local entrants' drive for top honors in the first running of the CSCC sponsored Pomona Road Races last weekend as Dale Johnson, in a Porsche Carrera was the only area driver to take home a checkered flag.

The Carrera was the only local car in racing shape at the conclusion of the two day event.

Tops Class
Johnson's initial competition came on Saturday in a 20 minute race for production cars with an engine displacement from 1300-1500 cc. The number 86 Porsche took first place over a field of 24; and top spot in class F.

In the same race Bill Doush developed steering trouble with his MGTF, which eliminated him and his wife, Ruth, from further competition over the week end.

Clarence Raville took the next honors for Torrance with his MGTC special in the 20 minute go for modified cars from 1300-1500 cc. Raville's third place finish broke up what would have been a clean sweep for five Porsche Spydars in that event.

Sandy Sinclair started in the first race on Saturday, but was

NEW COOLER BEATS SUMMER HEAT!

Keep cool in your car, driving or parked, with the Pacific Air cooler. It's portable, so you can use it in your home or motel rooms, also. Powerful concealed fan gives lots of cool washed and filtered air. Give yourself a break, get a Pacific Air cooler today.

Palica Twirls No Hitter As Giants Top Tigs by 5-0 Count

A pair of season "firsts" were recorded in recent American Little League play as Erv Palica pitched a no-hitter, the first this season, for the Giants over the Tigers by a 5-0 count, and the Pirates and Giants went nine innings, the longest game of the season, before the Bucs edged out a 2-1 win.

Palica's no-hitter was spiced by 13 strikeouts while Jim Cairns led the winning hitters with a double in three times at bat.

Pedro, Sunday afternoon, at 2 p.m.
If the local club wins this game they will be a full game in front of the second place club in the race for the 1956 Harbor League pennant.

ROD & GUN Chatter

By DONNA BARKDULL

Temperatures soared for fishing fever victims last week as the elusive albacore, the chicken of the sea, put in an early appearance, moving up from Mexican waters within range of local fishing crafts. Moved out of reach again just about as fast. Sportfishing landings will have albacore specials running if conditions warrant it, meaning if the long-fins are within a reasonable distance. Practically impossible to pinpoint them, but from now on long-fin chasers will be on the go, hoping for a good long run of the most popular game fish, might even get them in the Catalina channel as was the case a few years back.

Hefty barn-doors at San Clemente, too. The Sharpshooter out of Joe Martin's Landing checked back with 30, topped by a 50-pounder. Black sea bass are putting in their appearance at Anapapa Island. Gene Tolson took two of the monsters a couple of weeks ago, one sinking the scales at 255 lbs. and the other at 237 lbs. Looks like the Gardena Rod and Gun are all set for a fish fry.

Torrance Rod and Gun females upheld their club's record by again out-fishing the Oceanside Lady Anglers last Thursday at Oceanside. Last year Torrance really walloped them, being declared winner after weigh-ins going by whatever club had the most poundage. Same system this year but difference was only a lit-
