these are the things that endure...

A statement of policy and objectives by the builders of
GRANDVIEW PALOS VERDES

The Grandview Building Co. deeply respects the rich tradition and proud heritage that is "the Peninsula." By the creation of a community of fine homes here, we desire to fulfill an important need for all of southwestern Los Angeles County. At the same time, we recognize the high standards which have brought so much fame to the Palos Verdes Peninsula, and pledge ourselves, as new members of this locality, to uphold them.

By the criterion of the industry—the Grandview Building Company is a leader in the construction of quality homes. We are proud of this recognition and never lose sight of the responsibilities that leadership entails. Now that we are well on our way in this, the most satisfying chapter in our history, we underscore the philosophy which has guided the development of our business: *It is a never-ending search to bring a better way of life to each family who invests in a Grandview Home.*

Wherever it is built, each and every Grandview Home is constructed on the foundation of our creed: to bring your family *the best things in life...*

We look forward to a happy association with our new neighbors in Palos Verdes, San Pedro, Wilmington, Torrance and all of southwestern Los Angeles County.
