

Marian Unger, Bud Spear Honored At Birthday Party

By SUE BURK
FR 5-4549

A double birthday party honoring Marian Unger and Bud Spear, both of Vanderhill Road, was given recently by Merle Unger Jr. Guest at the 5214 Vanderhill address to enjoy the party were Ed and Jean Henning, Mel and Delores Fisher, Leonard and Connie Priestley, Lee and Rad Radney, Bill and Marilyn Tinsley, Ted and Ella LaVigne, Bud and Noreen Spear, Chuck and Alma Reid, and Howard Hatfield. Refreshments were assorted dips, fries, olives and pickles, various sundry items, and, as Merle says, "a keg of beer." No ages were mentioned for the birthday honorees, but everyone seemed to have just bushels of fun.

Roger Phaneuf of Springfield, Mass., is visiting in the home of Mr. and Mrs. Merle Unger, Jr. We understand Marian and hubby have been taking her father to all the local spots of interest here in the South Bay, up to and including the famous Roller Derby which papa seems to really get a bang out of.

A big welcome to Ed and Jean Henning to Seaside Heights. The Hennings have taken up residence at 5217 Vanderhill Road with their two daughters, Vicki and Terry.

Another welcome to Vanderhill Road goes to Mary Kifer and her son William, who now reside at 5221 Vanderhill, having moved here from 227th St. The Kifers plan to make this move a permanent one. Son, William, is an employe of Western Airlines.

New neighbors for the folks on Zakon are Leo G. and Lucaneth Reeder, who have moved into the Dezelle home at 5112 Zakon Road. The

Readers have two children, Glenn and Susan. Leo is an employe of the Rand Corporation in Santa Monica. A big welcome to you folks.

The July 8 meeting of the Seaside Hi-lighters was held in the home of Mrs. A. O'Conner of Doris Way. Reports from the recent rummage sale proved it was very successful, thanks to those who helped load and mark the merchandise. Many thanks also to those who contributed articles, helping to make this rummage sale a huge success. Plans for future meetings were made during the serving of refreshments of chocolate cake and coffee. Ladies present at the meeting were Mmes. Walter Anasley, Frank Callahan, Jack S. Mitchell, Bud Bedrosian, J. C. Gaines, Garrett Eustice, Robert Ledwidge, and James McClune.

Mickey and Barbara Combs of Zakon are joyfully showing off their new offspring, a boy, born at Gardena Hospital on June 24. Infant Walter Carl weighed in at eight pounds and five ounces. Both mother and son are doing nicely and are at home now to welcome visitors. The Combs have two other children, Vickie and Chuck, who seem right proud themselves of this new addition.

accident in the Panick family of Zakon. Son Rocky, while trying to light the powder, just about made himself minus a hand. Only two fingers were burned seriously.

Best wishes to Charles Lumsden of Bindewald Road who is now recovering from an eye injury suffered a few weeks ago.

I've had several calls from drivers of this area about an item printed in last week's paper. Yes, I asked the drivers to be careful to try and avoid hitting any children playing in the streets. I also stated that

those parents who have children in the streets should watch them closely. Again I say, "Do we have to wait until one of our neighborhood children is killed before we do something to slow down the traffic?"

Celebrating his sixth birthday with a party given by yours truly was son William Earl on July 7. Guests were Susan Reeder, Kevin and Keny Bickford, Rosemary and Betty McClune, Larry Mitchell, and sister, Donna Burk. Guess my little partner is happiest with his new guns and holster set and cowboy hat.

It's a Great Time to Buy a Buick

(And at the Best Buy Yet!)

WHAT'S IN IT for you — if you step out and buy yourself a 1956 Buick right now? Well, first of all — the time is right. Right now, your present car is at its peak worth. And, with the whole summer and almost half of '56 still ahead of you, you'll get more enjoyment out of a spirited new Buick this year — if you buy now.

Second, there's the matter of how much more automobile your money buys in the best Buick yet.

We tell you flatly that nowhere but in a '56 Buick can you get so much bounty for so little booty.

For example, take the beautiful big '56 Buick SPECIAL pictured here.

It's one big reason why Buick now ranks in the

top three of America's best-selling cars. Yet, you'll find it priced right close to the well-known smaller cars.

That sure makes Buick a whale of a lot of car for the money. And look: Nowhere but in a '56 Buick can you get the absolute smoothness and the electrifying performance of Buick's terrific new Variable Pitch Dynaflo.*

Nowhere else can you get the obedient responsiveness of Buick's big and mighty new 323-cubic-inch V8 engine. Or Buick's matchless new handling ease and ever-level ride buoyancy — or Buick's bold new sweep-ahead styling, and solidity of structure, and stretch-out roominess.

Add it all up and the answer comes out the same, any way you figure it: Now's the time to buy your 1956 Buick.

Will you come in — before another sun sets — and get set with your best buy yet?

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick built today. It is standard on Roadmaster, Super and Century — optional at modest extra cost on the Special.
