Some of them have said that they thought the Olympic Freeway, was being given priority over the San Diego Freeway. In order to obtain the facts, I wrote to the Division of Highways and received the following letter:

The child, who died at birth in Bay Cities Hospital, Hawthorne, on Aug. 6, also leaves a brother, Ronald Louis, 9. Grandparents are Mr. and Mrs. Magnus J. Cornelius of Sterling, O., and Mr. and Mrs. Louis Phals of Cheviot, Ohio.  
The importance of the San Diego Freeway to communities in the southern portion of Los Angeles County is that it will take much of the traffic off the Highway 101 Alternate, which consists of Sepulveda Blvd., Pacific Coast Hwy., and other stretches of highway going through cities or near the coast. Directly affected are Westchester, Playa del Rey, El Segundo, the Hollywood Riviera section of the City of Torrance, and Palos Verdes Estates. Communities which are indirectly affected are Inglewood, Lennox, Hawthorne, Lawndale, Portuguese Bend, and Rolling Hills. Obviously, San Pedro, Wilmington and Long Beach also have an interest in the San Diego Freeway.

Having twins can be a big surprise . . . the kind it's wise to save for. And when you save in an insured Savings and Loan Association you're wiser still. You get important advantages!  
Excellent returns from your money is one advantage. Modern, efficient, forward-looking service is another. And, of course, your money is safe because in insured Savings and Loan Associations your savings are protected by sound management and substantial reserves. They are insured up to \$10,000 by the FSLIC—an agency of the U. S. Government.  
No wonder Americans are now putting more of their savings account dollars into insured Savings and Loan Associations than anywhere else!

**SAVINGS AND LOAN FOUNDATION**  
Make the most of your savings. Put your money where it really works hard for you—in an insured Savings and Loan Association. With \$7 billion dollars of assets, these Associations are a great force in encouraging thrift and home-ownership.
