Beau Jardin Hears Report On Council

Reports on the President's Council, held Aug. 24, in Los Angeles, were given by Mrs. L. D. Burt and Mrs. Kenneth Moe at the meeting of the Beau Jardin Club on Sept. 12, at the home of Mrs. Phillip Rice, 22515 Warmside Ave., with Mrs. William Cressy and Mrs. Robert Hill as co-hostesses. The council suggested, however, that trees may be planted by the individual garden clubs of Torrance on Arbor Day, March 7. Members of the club brought bouquets to the meeting to be given to each of the teachers of the new Sepulveda school, which opened on Sept. 13, in the Southwood tract. The club also plans to present the school with two Brazilian pepper trees, which meet the official requirements of the school board as to size and type. The club will also give a \$25 contribution to the South Bay Association for Exceptional Children, Inc. in Redondo Beach. The club plans to have a picnic lunch for members and their husbands on Sept. 23, in Irvine Park, near Orange. Mrs. Albert Yackie is in charge of arrangements. The speaker for the meeting was Mrs. Phillip Rice, who spoke on "Air Rooting". Mrs. Rice demonstrated the process of preparing for air rooting. Members were given materials to take home to try the process themselves. The door prize was won by Mrs. Fred Worgul. She received three ranunculus bulbs. Refreshments were served by the two hostesses. Present at the meeting were Mmes. L. D. Burt, William Adkins, Leo Hayes, William Cressy, Kenneth Moe, John Blair, Phillip Rice, Robert Hill, Kenneth Harmon, John Regan, George Smith, John Beattie, Earl Welliver, John Carrievau, Donald Drorbaugh, Fred Worgul, and Albert Yackie.
