

Jobs Daughters Mothers Club Collecting 'White Elephants'

By ALICE PALCZEWSKI
DA 6-0788

The Jobs Daughters Mother Club, Bethel 137 of Lomita will hold a meeting Oct. 10, at 8 p.m., in the home of Mary Alice Mince, at 24416 Hendricks Ave.

All mothers are asked to bring a gift wrapped white elephant for the club's Christmas party. However, if there are mothers who have no white elephants, 10 cents will be accepted in lieu of the gift. Mothers are also asked to bring old hosiery.

Co-hostess to Mrs. Mince for the evening will be Lenore Mackay.

Lomita's Marjorie Russell, who is district deputy president of District 84 of the Rebekah's, has had an eventful past week.

On Sept. 24, Mrs. Russell, her Marshall, Ada Anderson, and others put on a District Initiation at the Hollendeck Rebekah Lodge. The next night, the group visited the Ocean Queen Lodge at San Pedro. On the 26th, Mrs. Russell and her Marshall visited the Santa Ana Lodge and were presented with a refrigerator fashioned collection box by the Ocean Queen Lodge. The refrigerator box is a reminder of the president's project of furnishing the children's home and old folks' home with refrigeration. On the 27th, the group visited the Eureka Rebekah Lodge in Los Angeles. Last Friday, Mrs. Russell and the group made an official visit to the Compton Lodge. The week of official visits was the conclusion for like activities until January.

Current activities include the rehearsing for Marjorie Russell's installation in January. Also, several members met at the Gardena Rebekah Lodge to witness the "presenting of the refrigerator" by the Hollendeck Lodge.

Another event took place Tuesday night when the Trio Helpers of Trio 240 met in Torrance for a pot luck luncheon and card games.

The Lomita Lions were shown a film entitled "A Boy With a Knife" on Oct. 1. The film depicted delinquency and the way it starts.

Joe Langan, program chairman of the Lions, said that although delinquency in this area is not especially high, the club wants to keep abreast of things, and try to get boys off the streets and into places of worthy recreation.

Next Monday night, the Lions will hear from club member, Ted Garcelon, who will show slides of his pack trip into the High Sierras and a fishing vacation in New Mexico.

Mrs. Frank Gorbet, new president of the Lomita Elementary PTA, was honored guest at a surprise luncheon held Tuesday afternoon in the home of the resigning president, Mrs. William Hansen.

Mrs. Gorbet, who received token gifts from her board members, will preside over her first association meeting on Oct. 11, at 7:30 p.m. Program for the evening will be on Community Chest.

Members of Cub Scout Pack 255C received their awards during the monthly Pack meeting held in the Church of Jesus Christ of Latter Day Saints.

Cubmaster Glenn Scrivner awarded Michael Tomany the Webelos badge, Dean Jensen received his two-year pin; Ronnie Acker the Denner Stripe; Robert Stockwell the assistant Denner Stripe. Ray Chamberlain received the Lion Badge with one gold and two silver arrows. Paul Larson received his Wolf Badge and Dennis Stripe. Dennis Jeppsen was awarded his assistant Denner Stripe along with Victor Osti who also received his two year pin.

Theme for the meeting was "Naturalist" carried out by the boys bringing exhibits for the Pack's museum. Among the contribution were butterflies, ant hills, and other wildlife species that had been gathered

by the boys on a recent outing. After the business meeting, the boys learned the song of Parky, the Tidy Kangaroo.

The Phi Sigma Phi Sorority, Zeta Chapter held its regular business meeting in the home of Jean Carlson, 26410 President Ave. Following the business, the women played games and were served refreshments.

In addition to the hostess, members attending were Mmes. R. W. Gerhart, William Brian, L. Stalcup, Carl Opsal, B. Rogers, J. W. Creager, and F. W. Trantham.

Mrs. Marian Wall and Mildred Taylor were honored at last Friday's Harbor City-Lomita Community Sing. Mrs. Wall had a birthday and Mrs. Taylor was celebrating a wedding anniversary.

The Hit Parader Accordion Band from the Compton Music Center will be featured at the sing on Friday the 5th.

With the exception of the Local Talent night which is held once a month, entertainers are provided by the Los Angeles Bureau of Music. The sing is free and is held at the Harbor City Elementary School on 254th St.

The T. C. Geurins, their boys, Dennis, Bradley, and Robby spent the week end at the Geurins' cabin at Pine Cove. Guests for the outing were Mr. and Mrs. Verman Difie, their daughter, Gwen, and five-year-old son, Keith; Diane Williamson from Torrance was the guest of Gwen's.

The Scout Mothers of Troops 115, 115X and 215, held their first meeting of the season at Ray Russels, 2340 Lomita Blvd., on Sept. 25.

The women have started the year off by each one making a garment for a 23 inch Walker Doll to be awarded at the Pancake Breakfast scheduled for the first Sunday in November, at the Kiwanis Hall.

Additional plans for the Pancake Breakfast were discussed. Slides were shown of the various camping trips taken by local scouts throughout the past year by Mary Halverson.

Members present were the president, Mrs. Vern Schmidt, Lenora Mackay, Marjorie Spann, Dot Edgerton, Jo Bodermann, Madelene Hand, Corry Tregarethan, Carol Nothorn, Alice Keith, Vic Abbott, Marie Mickunas, Jean Markley, Carol Erickson, Lupe Berbud, and Agnes Russell.

New scout mothers are welcome, and the next meeting will be at the home of Madeline Hand at 24645 Cypress St., Lomita, at 7:30.

Some Facts Regarding Christian Science

Christian Science is Christian. It is based on the teachings of Jesus as recorded in the Bible.

Christian Science is scientific. Spiritually logical and unflinching, consistent, its prayers affirm and demonstrate man's true nature to be in accordance with God's perfection.

Christian Science is demonstrable. It supplies the needed answers and the needed evidence to the sincere seeker. A thoughtful study of the Christian Science textbook

SCIENCE AND HEALTH WITH KEY TO THE SCRIPTURES by Mary Baker Eddy

gives convincing assurance that this great Science of Christ is indeed the Comforter promised by Jesus.
