

House Sense on Horse Power

Twelve-hundred pounds of dynamite! It takes a real man to stay on a bucking bronc—not the safest way to spend a holiday.

You probably wouldn't consider trying to ride this wild horse. But when you're at the wheel of your car, the power of more than a hundred horses is in your hands. That power can be deadlier than the wildest of broncs.

A bronc-rider is a pretty savvy guy—he has to be. He knows that if he isn't alert every second, he'll be "biting dust." He also knows that to win, he's got to obey the rules.

You'll have lives at stake when you're on the road this holiday weekend. Take a tip from the bronc rider: Stay alert... obey the rules... hold your horses.

Fund Raising Dance for Boys' Athletic Program Set Tomorrow

By BILLIE ROBERTSON
FA 8-7385

Attention Catholic children in Public Schools!! Arrangements are now underway so that every Catholic child in public school in the Parish of the Nativity will receive Religious Instruction from the Missionary Sisters of Our Lady of Victory, the Sisters of St. Joseph, of Orange and Lay Teachers of the Confraternity of Christian Doctrine. All parents are being asked to cooperate in seeing that their children receive this very important instruction.

The children are to be at least in the first grade of public school and it includes all boys and girls, even Seniors in public high schools. Instructions are given every Saturday morning for one hour from 9:30 to 10:30 a.m. at 2371 W. Carson St., Nativity School.

Dads and Moms: We need your help in forming a Cub Pack and Boy Scout Troop! Dad, here is an opportunity to show your son what a pal and buddy you can be. Just a few hours each month of your time is all that is required. And Dad, you'll get a big kick in being a boy again when you work, play and you have fun with your boy and his Scout pals. You'll get to know your real boy and what makes him tick.

Mom, we need you too, and very much so. It is an honor and privilege to be a Den Mother or Assistant Den Mother to a group of boys of your community and to watch them grow into fine young men.

Let's watch the Pack go and grow! And the Troop, too. Your boy will be so proud to have you take part in his activities and to know that the 225rd St. School PTA is sponsoring this project. If any questions you may call Mrs. Richard Carrier at FA 8-5573.

A fishing trip was enjoyed this past week when three fellows made a trip to Bishop to catch some whoppers. Those enjoying some lazy days in the quiet atmosphere of the mountains were Friend Harrison of Budlong St. and his boss, Doff Hoyt and a friend, Leroy Matlocks. So glad you guys had such good luck.

Such a lovely little darling girl was delivered to 21140 S. Budlong, and by no mistake. In fact Mr. and Mrs. Ivan Hague and their daughters have been waiting a long time for the arrival of Pamela Denise who weighed 8 lbs. and 12 ozs. Pam was born Sept. 22 in the Torrance Hospital. Her two sisters are Janice and Beverly.

The boys football program is under way under the direction of Mr. Y. Hammatt and a fine group of coaches. So reports Peter O'Brien, chairman of the project. Incorporated in the program are the same age groups that played baseball at Normandale this summer. The pee wee's, ages seven and eight, play every Tuesday and Thursday afternoon; mid-gets ages nine through 12, are scheduled for Saturday games; and the older boys schedules have not been drawn up to date. Here is a great opportunity for the boys to learn real sportsmanship and work with men that are very interested in their future as well as sports.

In addition to most of the men that worked so hard for these boys through the summer months, will be some semi-pro football players and school coaches. Duke Lewellyn has just completed an officials' school for the men in the area that were interested, in hopes to have a well officiated program. Anyone interested in having their boys enrolled in such a program please contact Mr. Hammatt at the playground or Mr. O'Brien by phoning FA 8-1063. This is designed to handle all boys that are interested in sports.

Included in this program are, basketball, swimming, track and many other activities for all ages.

If possible try to attend the fund raising dance, tomorrow night, Oct. 5th at the playground auditorium. All the men interested in the boys of the area will be there. Try to support them in this enjoyable atmosphere. The address is 22400 Halldale Ave. The dance will be held from 8 to 12. Dance to the fine music of Bill Casey and his band's enjoyable tunes. All the funds are to be used to support the boys program that is designed for real sportsmanship and training.

To make the dance more enjoyable there will be many prizes which will include copperware, woodwares and wall plaques. Refreshments will be served and many relaxing decorations are planned to fit the sports theme. Tickets are available from any of the coaches, the playground, or the chairman, Mr. O'Brien. Tickets will be on sale at the door and the donations of 75 cents per person which will go for a very worthy cause.

The first official PTA meeting of the 223rd St. School was held Sept. 25th in the school auditorium. The president, Mrs. David Goolsby, presided with her board members all in attendance. After a good information meeting a small skit was presented by some of the board members.

The outstanding part of the program was a talk given by a dentist from the Board of Education. Many wonderful points of interest were outlined for the parents. This was in regard to the benefits of proper dental care for the children.

After a thoroughly enjoyable meeting refreshments were served to a large crowd.
