Porter Family Likes Two-Party System After Saturday's Trial

By RUTH FOSTER
 FR 9-5508
 "Tis a brave mother who undertakes a birthday party for her 7-year-old son and then proceeds to give another celebration for her husband the same evening. But that's the way it was done by Mrs. Bill Porter Saturday. Just after lunch the yard at 4703 Narrot began to fill with young Tommy's friends. All set for the gaiety were Billy Bergeron, Wayne Aureli, Mike Hicks, and Paul Ekberg. Cousin Ricky Porter joined in the fun as Bill McArthur and Mike Rustrum won prizes for their efforts in the games played. In the midst of all this boisterous merry-making, Mrs. Porter was busy preparing and hiding tasty dishes for the party that would surprise her husband. And very surprised he was! Mr. and Mrs. Roy Mahan, the Dale Sellars, the Howard Jeffers, Mr. and Mrs. Lee Hicks, and even the Don Perrys from across the street arrived very much unexpectedly. Mr. and Mrs. Jay Green, Mr. and Mrs. Neil Noble, and Mr. and Mrs. Virgil Stidham completed the picture of a real surprise party. No one, but no one, had spilled the proverbial beans.
 The Bob Weibels combined a week of rest with the same amount of visiting in San Diego the latter part of October. They stayed at Bob's folks and just took it easy. But tempus fugits, as Caesar used to say, and by now the Weibels would probably like to repeat last month's vacation performance.
 The night after the election found Mr. and Mrs. Tom-Prevo dining out. There were no political implications to the occasion. It was Mrs. Prevo's birthday.
 Daddy Edner emerged from the house carrying an overnight bag and followed by his smiling wife. As they got into the car somewhat hurriedly the small group of neighbors waved and wondered. A few hours later their conclusions were confirmed. The Edners had gone to Torrance Hospital where Paul, Frederick was born. That was Nov. 9. Paul has three brothers, Sheldon, 9, and Arnold, 8, along with David, 4½. Sister Suzanne is 2½ years old.
 Because her husband is there Mrs. David McWhirter left for San Francisco Nov. 9. After a week they will be assigned to a permanent post. Dave is in the United States Army, a group we should not forget. This is Veterans' Day as the column is being written. I'm reminded of the happy-go-lucky, brawny lad who lived across from us in '43 who didn't come back from Okinawa. But there were many who did come back and we never stop being grateful to them for their defense of our country.
 "Y" stood for "yippee" last week when the YMCA sponsored an excursion to the Coliseum for the UCLA-Stanford game. Ken Barackman was among the group from Tor-

rance. The boys had sack lunches containing only the things that boys like best. But amid such excitement, appetites were not as keen as usual. Ken's parents, the Earl Barackmans, and brother Dennis located him after the game they enjoyed so much. You see, Earl's alma mater won. That always puts fathers in a mellow mood.
 Rebecca June is the new member of the Ralph Rustrum family. She arrived just two days after brother Mike's birthday the 5th of November. She will soon be acquainted with another brother, Bill, and sisters Darla (Mrs. David McWhirter), Barbara, and Betty.

"Shucks, Mom, can't I stay out a little bit longer?" the small voice wailed. No, he couldn't. It gets so late so early and darkness is upon us before dinner. There followed reminiscence of childhood play under the streetlights of a small town's streets. Thrilling games of "tap the icebox" and "red light, green light." It sure settled the supper and got the small fry into a slumbering mood. We hope, before long, our little "tractors" can enjoy playing while it's still early in the evening, not by solar light but "pole-er" light. Our support of the fund would be a nice Christmas gift to the family.

PROGRESS REPORT ON PICNIC SHELTER
 Good progress is now being made on the construction of the new picnic shelter on the east-side of the lake at Alondra Park, Supervisor Kenneth Hahn reported this week.
 The frame of the structure and the wing-type roof have been erected and the entire project should be finished in 30 days.
 Covering an area approximately 120 feet long and 30 feet wide, the shelter will contain 18 permanent picnic tables, 10 double burner gas stoves and 10 links. Outside the shelter there will be a grveled area for additional picnic tables, Supervisor Hahn said.
