

Long List of Cub Scouts Get Awards During Pack Meeting

By BETTY MITCHELL
DA 6-4438

Mr. and Mrs. George Spaulding of Madison St. have returned from a wonderful month's vacation spent visiting in the east. While gone they visited friends and relatives in Wisconsin, Minnesota, and Illinois. Enthralled by the beautiful colors of the fall through the cooler states, they were still glad to get back home.

There are some additional names which should be added to the guests at the recently reported Frank Tenney housewarming. They are Mr. and Mrs. Jack Tinkle, Mr. and Mrs. Bud Rose, Mr. and Mrs. Jerry Anderson, and Mr. and Mrs. Tom Kirk of Long Beach. Mrs. Tinkle was also co-hostess along with Mrs. Burgener and Mrs. Gordon.

Father and son had fun together last week when Ivan Kettering of Neece Ave. took son Paul on a hunting and fishing trip to the Salton Sea. They had a wonderful time and came home proudly bearing ducks and fish.

Mrs. Polly Moorehead of Winlock Rd. spent a few anxious weeks recently when she was informed of the serious illness of her Mother in Texas. Glad to hear that the worst is now over and Polly can relax again.

One of the busiest organizations in our town is the Cub Scouts. The cubs held their pack meeting last Friday evening in the School Auditorium with the following well deserving boys receiving awards. Gregory Mahin received the bear badge and one-year pin; John Jordan a one-year pin; Victor Chouinard a wolf badge and Gold Arrow; Trayon Cionka a bear badge; John Foster a bear badge; Danny Chaudano was made denner, and Danny Roche asst. Denner of Den 9; Gary McLaughlin received a silver Arrow; Phillip Hertzog a one-year pin; Allen Emery a one-year pin; Craig Moore a wolf badge; Victor Phipps was made denner and Baxter Omohundro asst. denner of Den 11; Randy Bausman received a Silver Arrow; Jimmy Kean a silver Arrow; Bruce Wolse a bear badge and Gold Arrow, and Silver Arrow; Lea Peerson a lion badge and Gold Arrow; Steven Sanders a bear badge; Rickey Kohler a wolf badge; Gold Arrow, and Silver Arrow; Donald Day a bear badge, a Gold Arrow and Silver Arrow, and one-year pin; Phil Randall a lion badge and Gold Arrow.

Five adults also received awards. They were Mrs. Lila Moore as den mother received a one-year pin; Don Moore, as committeeman received a one-year pin; Mrs. Wilma Allen as den mother received a one-year pin; Everett Balcolm as committeeman received a four-year pin.

Now the Cubbers are looking forward eagerly to a mistletoe hunt on Dec. 8. They plan to search for the holiday sprigs on a ranch near Saugus.

Speaking of Scouts reminds us that Robert Waegner of Winlock Dr. has recently been made Scout Commissioner in our area. It will be his job to act as a liaison man and also to help all the Scout troops with programing and leadership when such help is needed.

Our sympathies are extended this week to Mrs. George Stark of Danaha St. upon the loss of her grandfather who passed away last Saturday in Carlsbad, Calif.

In the not-so-new-neighbor department we have found a family who has aroused a lot of curiosity in our town. Those of you who have journeyed down Newton St. east of Hawthorne lately have probably noted a lion taking shape in the 3700 block in a building formerly occupied by a clothing store. If you have been wondering what "was cooking" you will probably like to know that the new residents are Mr. and Mrs. Howard Ball, formerly of Los Angeles. Mr. Ball is the one responsible for the replica of the king of beasts since he is a very well known figure in the world of art. He is one of the few remaining expert sculptors. The lion is now cast in a marble-like substance and when complete will be shipped to a park in Texas. Another of the projects he is engaged in at present is a prow in the shape of a mermaid which will be put on a yacht in Long Beach. Mr. Ball has done

busts of many famous people, and plans to begin doing busts of children in this area on order. He also plans to open an art studio after the first of the year. While Mr. Ball is busy making his contributions to culture, Mrs. Ball is also busy improving this world since she is a school teacher in Palos Verdes. A very, very hearty welcome is extended these new neighbors of ours.

The Walleria Business Women's Club has completed another successful project since they held their rummage

sale last week end in San Pedro. Working on the committee for the sale were Mmes. Maize Moton, Robert Waegner, and Loring Bigelow.

The annual Business Men's Club dance and Turkey Raffle was a great success last Saturday evening. Approximately 50 couples attended the gala affair at the Nickel's Ranch on Newton St. Everyone had a lot of fun dancing to a wonderful four piece combo, and munching tid-bits from the buffet spread during intermissions. The buffet offered

dips with crackers and chips, cold cuts, and relishes. As always, the happiest guests were the ones who walked off with the big fat birds—turkeys, that is.

The men who worked on the committee to make this dance the success it was included Don Matthews, Herb Jackson, Tom Jones, R. Pendleton, and Virgil Hancock. Prize ticket seller for the club was Bob Kikuno who sold over 200 tickets. Nice going, Bob! All profits from this annual party go toward the Christmas kiddie party sponsored each year by the Busi-

ness Men's Club.

Four local couples attended the annual dinner for the South Bay Boy Scout Council held last Wednesday night at the Hollywood Riviera Club. Representatives from our area included Mr. and Mrs. William Addington Jr. (Troop Committee Chairman for Boy Scout Troop 240) Mr. and Mrs. Bill Read (Scoutmaster of 240), Mr. and Mrs. Robert Waegner (Asst. Scoutmaster of 240), and Mr. and Mrs. Charles Davis

(Troop Committee Chairman for cub scouts troop 240-c). The couples gathered at the Waegners for a social hour and then went on to the Club for a luscious roast beef dinner.

There was a combination of bad and good news received this week when this reporter found that Mr. Alfred Artuso, who has been principal of our

Walteria school for a number of years, has been transferred away from our community. He has received a promotion into the personnel division of the board of education. Taking his place is Mr. Don Mullaney who has been serving our school in the capacity of vice-principal. We all know he will do a wonderful job in his position as principal. Congratulations go to both these nice gentlemen!
