

Garden Chatter

By LORING BIGELOW

Roses have always been a favorite plant of mine the same as with many other gardeners and when the yearly All America Rose Selections are announced, we are always interested.

Since its founding in 1939, the AARS has declared only 48 All America and regional award rose winners. The AARS continues to intensify its rigid trial testing in 22 official test gardens throughout the United States and rose hybridizers are concentrating more and more on a combination of beauty, usefulness and hardiness in their new creations.

Three fine varieties have been selected as meeting these rigid requirements and are now being announced for the coming 1958 season. These are: White Knight, Fusilier, and Gold Cup.

White Knight was developed by the creator of that all time great rose, Peate, and brings at long last to the rose world that nearly perfect white rose. White Knight is pure white, with large exquisitely formed buds and open flowers, has outstanding substance for a white

rose with petals heavy and waxy. It is a strong, upright plant.

Fusilier is one of two winners in the popular floribunda class. It is a spectacular orange-red and the flowers arrive in large clusters. It is free blooming and falls into a color class where it has little good competition.

The third winner for 1958

is Gold Cup and also a floribunda. This new variety is a deep yellow, a very vigorous grower, and blooms over a long period of time. These roses will not be available in quantity until next bare root season, but you are going to read more and more about them this Summer and Fall. There is a possibility that there may be a limited number available this Fall in containers, so check with your Nurseryman.

MOOSE TO FETE DADS AT DINNER

The Torrance lodge of the Loyal Order of Moose will honor the fathers of Torrance as a prelude to "Father's Day," at a public dinner at the lodge hall, 1744 W. Carson St., Saturday, starting at 6 p.m., according to Fred Lydy, governor.

Approximately 1000 children at Mooseheart, the world famous Child City in Illinois; will honor their departed fathers on Sunday, and the million members of the Moose fraternity who are acting as substitute fathers. Many of the mothers who have accompanied their children to Mooseheart will join in the observance.

Arrangements for Saturday's ham dinner are under the direction of George Clay, ways and means committee chairman; and William Grip, dance chairman. Dancing to the regular Moose orchestra will follow the dinner.
