## P T A ACTIVITIES

### 186th Street High School

Executive board of the 186th Street PTA surprised Mrs. Herman Eisenbeis, outgoing president, with a party in her honor on June 3 at the home of Mrs. Guy Cels. On the pretext of a party to reveal secret pals for the year, Mrs. Cels and co-hostess Mrs. James McMillen planned the party and prepared the gifts presented to Mrs. Eisenbeis by her executive board in appreciation for her many fine acts and accomplishments in the past two years. The gifts included an electric skillet, terry-cloth slippers and a ceramic French poodle to help complete a collection of French poodles. Mrs. James Ellis, president-elect, presented Mrs. Eisenbeis with a beautiful bouquet of painted daisies and she received a gift of sachet from Mrs. Walter Stewart.

An interesting sidelight to the party was the presentation of several gag gifts to Mrs. J. T. Evans, Jr., the parliamentarian, who was leaving the next day for a trip to Canada and New York City. Secret pals were revealed and gifts were exchanged. A delicious buffet dinner was served by the hostesses. Those attending the party were Mrs. Herman Eisenbeis, James Ellis, J. T. Evans, Jr., W. S. Stewart, Billie Lewis, Stephen Pencheff, Tom Nakaki, Edward Stivason, Phillippe Major, R. Dean Bryan, Sam Tanahari, Floyd Phillips, Frank Daddi, Phillip Guckes, Donald Dittman, James McMillen, Guy Cels, and Miss Ruth Engdahl, principal.

In addition, parents will have the opportunity to learn first-hand about graduation requirements, colleges and scholarships and senior activities. Students will participate actively on several occasions. The second Tuesday evening of each month has been chosen as the regular meeting time. A pot-luck supper for all will be a feature of the first meeting on October 8. During the week of October 7-11 the PTA will conduct a concentrated membership drive and all parents and friends of Torrance High School are urged to join and to participate in the activities of the association, according to Mrs. Jackson.

### Gateway

With the hope of making the next PTA year of Gateway Council even more successful than the last, outgoing and incoming local presidents met with school administrators in the social hall of Wilmington Jr. High School.

Problems of attendance at meetings, membership drives and ways and means projects were discussed. Administrators present were: Mr. Bernard Donahue, Banning High; William Morehouse, Dana Jr.; Miss Frances Stephan, Peary Jr.; Arthur Farnham, San Pedro High; Miss Thelma Barnes, Wilmington Jr.

Presidents from the above named schools were also in attendance as well as Mrs. Robert Straughn and Frank Cowles of Gardena High and Mrs. D. G. Cheek and John Blackmon from Narbonne High.

Arrangements for the meeting were in charge of Mrs. L. R. Park, Wilmington Junior High PTA president, Miss Barnes and Mrs. A. O. Akeron, president of Gateway Council.

Achievement Evaluation certificates recognizing 100% accomplishment in meeting Tenth District's goals were presented to Banning, Dana Jr., Gardena, Peary Jr., San Pedro and Wilmington Jr. High PTAs.

It was also noted that Peary Jr. and San Pedro High received honorable mention from the California Parent-Teacher Magazine for outstanding promotion of the magazine.

### HAM DINNER

First grade mothers of St. Catherine Labourer School will serve a ham dinner Saturday evening at the church hall, 2846 Redondo Beach Blvd., from 5 to 8 p.m. Mrs. Gordon Capanelli is chairman of the event. The public is invited.

**THE STORY BEHIND THE FIGURES**

As shown in our June 30, 1957 Statement of Condition, Bank of America's resources have climbed to \$10,028,279,418 — leading those of any other banking institution by a wide margin.

This figure represents the combined financial strength of the hundreds of individual neighborhood Bank of America branches throughout California—each branch an integral part of its own community and dedicated to providing banking service for all depositors, regardless of size.

Serving the many, the idea upon which Bank of America was founded more than 50 years ago, has proved itself in the millions of small deposits which today make up BofA's record-breaking resources.

**DOLLARS AT WORK**

All Bank of America's resources are busy—through this branch and other branches throughout California—making loans to business and industry, loans to farmers, home-builders, and providing needed dollars for every worthwhile purpose. Some of this money goes for school and municipal bonds—some goes for United States Government Bonds, but every cent contributes, in some way, to building California and serving you.
