\$5000 WORTH OF DOPE . . . Looking over the \$5000 worth of marijuana and other dope picked up in raids on two local homes Thursday are these officers and other one of the suspects. Shown are Sgt. Jay Stroh, sheriff's narcotic officer; Police Chief Percy Bennett; Mrs. Barbara Lemaster; and Lt. D. C. Cook, Torrance Police Department. Mrs. Lemaster was held for questioning but later released.

SHOOTING AWAY . . . Behind a TV camera at a special television workshop at the University of Southern California is Larry Lutz, 16, 3830 W. 176th St. Chief engineer and disc jockey at KNHS, high school radio station, Lutz produced a radio documentary show during the course.

North High Student Larry Lutz Attends SC TV Class

Larry Lutz, 16, 3830 W. 176th St., student at North High school, completed a four-week radio and television workshop at the University of Southern California Friday.

Lutz came to the class with some experience, since he is chief engineer and disc jockey of KNHS, his high school's radio station.

He won't get any college credit for the summer radio and TV workshop for high school students, however, in which he is enrolled with 11 other boys and girls from high schools throughout the greater Los Angeles area and one from Fort Wayne, Ind.

He produced a radio documentary show as his project during the course.

The workshop was the first of its kind held in the SC department of telecommunications headed by Dr. Kenneth Harwood. Plans are being made to hold it annually.

Dr. Stuart W. Hyde, assistant professor of telecommunications, directed the workshop

with the assistance of Donald A. Connelly of St. Louis, a graduate student.

Its purpose was to enable interested high school students to work with professional-quality radio and TV equipment and to become familiar with general broadcast principles and techniques.

The students devised and produced their own radio and TV programs, and served as directors, cameramen and talent, using the production facilities of the department.

At their disposal were two complete TV studios with two cameras in each studio, two radio control boards, kinescope equipment, and a film chain for incorporating filmed segments into productions.

A luncheon was held after the final class session, and certificates of merit were awarded the students.

SIZE COMPARED
California, the second largest of the states, is 127 times greater in area than all of Rhode Island.

Rites Set for City Pioneer

Requiem solemn high mass will be sung at 9 a.m. Wednesday for Mrs. Bertha Lenora Brennan, 72, of 812 Portola Ave., a resident of Torrance since 1917. Mrs. Brennan died yesterday afternoon.

Rosary will be recited at the Halverson-Leavell Mortuary Chapel at 8 p.m. Tuesday.

Mrs. Brennan is survived by her husband, Edward, and son Lloyd R., of the Portola address. She was a member of the Royal Neighbors, and was known to most of the city's early residents.

Burial will be in Holy Cross Cemetery.

Cub Scout Troop 755-C

Cub Scouts and parents of Troop 755-M met at Higgins Brick Yard July 12 for their July outing.

Den mothers served a "corn feed" with all the trimmings. Following dinner the group played softball and made plans for the summer activities.

Obituaries

Albert Tenidus Heglin

Final rites were conducted at Stone and Myers Chapel July 18 for Albert Tenidus Heglin, 71, of 1647 W. 218th St.

A resident of Torrance for 28 years, he died July 14 at Gardena Hospital.

Surviving are his wife, Lela May Heglin, and a brother, Todd Heglin of Clay Center, Neb.

Following services conducted by the Rev. Charles W. Little, interment was in Roosevelt Cemetery.

George Seldon Wheaton

Funeral services were conducted July 17 for George Seldon Wheaton, 81, of 1228 Arlington Ave., who died July 14.

Mr. Wheaton was a native of Michigan and was a Torrance resident for 40 years. He retired from Pacific Electric in 1936 after 30 years of service.

Surviving are his wife, Nellie M. Wheaton; two sons, Kenneth G. and Donald U. Wheaton, both of Hermosa Beach; three daughters, Mrs. Olive Wittenberg of Torrance, Mrs. Kay Loftus of Torrance and Mrs. Jean Wilder of Studio City; 13 grandchildren and 17 great-grandchildren.

Services were in Halverson-Leavell Mortuary Chapel with interment in the family plot at Inglewood Park Cemetery.

Eleanor M. Scott

Eleanor M. Scott, 42, of 447 E. Desford Ave., died July 14.

Funeral services were conducted July 16 at the Halverson-Leavell Mortuary.

Born in New Jersey, she is survived by her husband, Richard Scott; a son, Richard Douglas Scott; a daughter, Diane Muriel Scott, all of Torrance; her mother, Mrs. Catherine Douglas of Redondo Beach.

The Rev. Richard Parker conducted the services and cremation was at Pacific Crest.

Juan Campos Bernal

A Wake was held July 17 at Halverson-Leavell Mortuary Chapel, for Juan Campos Bernal, 45, of 449 E. 218th St., who died July 14. Mass was sung July 18 at Nativity Catholic Church with interment in All Souls Cemetery.

Surviving are two brothers, Reynaldo of the Torrance address and Robert C. of Long Beach; two sisters, Mary Louise B. Nieto and Katie Agas, both of Long Beach.

Otto Gerhard Boesche

Funeral services were conducted July 18 for Otto Gerhard Boesche, 69, of 1020 Cota Ave.

Born in Elk River, Minn., Mr. Boesche died July 12 at Harbor General Hospital.

Surviving are his sister, Mrs. Von Rosenberg of Torrance, and three brothers, Fred Boesche of Tulsa, Okla., Martin Boesche of Elva, Okla., and Paul Boesche of Grand Rapids, Mich.

The Rev. Walter Stanton conducted the services at Stone and Myers Chapel and interment followed in Roosevelt Cemetery.

TURKEY PATROL

Maryland farmers often turn their turkey loose in their tobacco fields to eat the worms and other insects which might damage the plants.

Service Clubs

OPTIMIST CLUB

Police Lt. D. C. Cook, head of Torrance juvenile bureau, will speak to members of the Torrance Optimist Club on the subject of narcotics at their weekly meeting tomorrow evening at the Palms.

Lt. Cook, who has spent several years studying the narcotics problem in the city, will be bringing the club up to date on the matter, having spoken before the club about two years ago on the same topic.

Club President Harold A. Massie will preside while Dave Figueredo, first vice president and program chairman, will introduce Lt. Cook.

KIWANIS CLUB

John Mills, one of the original members of the Los Angeles County Air Pollution Control District, will speak to members of the Torrance Kiwanis Club tomorrow evening on the smog problems of the county as they are especially related to this area.

Mills, now principal engineer for the district, joined the district in 1948 as an inspector and was named an engineer in 1949. He was later named chemical engineer, senior engineer, and assistant head engineer before his present assignment.

The club meets at 6:30 p.m. at the American Legion clubhouse, 1109 Border Ave. President is John Barrington.

CIVITAN CLUB

M/Sgt. Wilbur Phelps will tell the Torrance Civitan Club about civil defense at its meeting Wednesday at 7 p.m. at the Villa Capri, according to M. W. Heimerding, president.

The program will be one of a series now under way for service clubs and civic organizations given by the Torrance National Guard unit, directed by Capt. Douglas Horlander.

The speaker has taken part in nuclear and atomic tests in Nevada, serving in the Corps of Engineers for 15 years. After the talk, a film, "Warning Red," will show what is expected in case of atomic attack.

LIONS CLUB

Program Chairman Bob Barrett has promised the club members an exciting luncheon Tuesday at the Palms when Fred Britto will speak to Lions on "The City of Hong Kong." Dr. Barrett says the program will be humorous and thought provoking.

Bulletin Editor James Crockett's big scoop of the week was a sports item, an item announcing the resignation of team captain Mott Farrell because only four members showed up for a softball game. According to Editor Crockett, Captain Farrell's comment on the situation went: "7%?"

The Lions are all busy this week with the big annual rodeo which they sponsor with the Torrance Mounted Police as an added attraction for the city's Rancho Days. The rodeo will be held Saturday and Sunday, July 27 and 28.

The new North Redondo Lions Club will meet at Club Alondra tomorrow evening. The Torrance club is a co-sponsor of the new group. Charter night has been set for Aug. 24, according to Warren Hamilton, Torrance clubman.

'Coppelia' Ballet Set At Greek Theatre Soon

An unusual event will be James A. Doolittle's first production in the United States of the full-length classic ballet "Coppelia" at the Greek Theater, Wednesday, Aug. 7 through Sunday, Aug. 11.

Ballet is a very ancient theatrical art, antedating all other forms, and has always been among the most popular theatrical entertainments. The established ballet companies of Europe all have full-length ballets in their repertoires, but the only American ballet with a full-length ballet is the New York City Ballet whose "The Nutcracker" was presented at the Greek Theater before 98,000 delighted spectators.

SOUND SPAN

The human eardrum moves less than one-millionth of an inch in responding to many different sounds.

Carson Group to Hit Harbor Freeway Plan
Protests against projected changes in the Harbor Freeway which would dump traffic onto 220th St., adjacent to the Stephen M. White Junior High School were being prepared this week by the Carson Civic Betterment Group, according to J. Rome Gately, president of the organization.

The engineers have penciled in a proposed change which would remove the off ramps for northbound traffic on the freeway at Carson St. and would replace them further south at 220th, Gately told the HERALD yesterday.
