

SURPRISE PARTY

... at SAFEWAY!

We're celebrating *your* birthday this week! If you are used to blowing out the candles at a different time of the year, don't worry. We've borrowed a September birthday for you from a friend of ours. (It's "legal" in his will a famous author left his birthday to a young friend.)

Now about the party. It's going to be a big one, but naturally we can't tell too much now, because it's a *surprise* party—with exciting "surprise" specials, in addition to other celebration values listed in this ad. Lots of other surprises, too. Come in for fun—and for savings!

Happy Birthday to YOU!
