

Bank Changes Achievement Award Plan for Southland

The big increase in student enrollment in the high schools of Southern California has caused Bank of America to make important changes in its statewide Achievement Awards program for high school seniors this year.

Jesse W. Tapp, chairman of the bank's board of directors, this week announced a whole new division for the Southland competitions, and \$9300 in additional cash awards. This brings the total for the three geographical divisions of Southern California to \$31,400. Added to the \$22,800 awarded

in the two divisions of Northern California, this makes the statewide cash total \$54,200. In the Southland, additional awards of 700 gold trophies and 2000 certificates of achievement will go to seniors who have made superior records, as young citizens and scholars during their last three years of high school. Similar awards are made in Northern California.

Divisions Changed
In former years there were two Southland geographical divisions — the Los Angeles City Schools division, and a division

consisting of all the other high schools of Southern California. This year only the Los Angeles City Schools division will be the same.

The remaining old Southern California division will be cut in half by a line running approximately from just south of Long Beach to just north of Needles. Since the two divisions thus formed will not compete with each other, there will be twice as many final awards, ranging from \$100 to \$1000 each, and nearly twice as many semi-final or zone awards of \$25 and \$50 each. Many more seniors will get into the zone and final competitions, as there will be 14 zones in the Southland instead of the former nine, besides the

six zones of Los Angeles City. Zone competitions will be held in various cities April 17. Finals will be in May, and winners will receive their checks at three banquets in their honor — two at the Statler Hotel, Los Angeles, and the other at El Cortez Hotel, San Diego.

Dance music will be furnished by the 40th Division orchestra and tickets are available to the public at the door. Dress is semi-formal for civilians and members of the armed forces will attend in uniform.

Proceeds from the ball will
