## Auxiliary to Hold Annual Rummage Sale on Oct. 31

The date is Thursday, Oct. 31—the time is 9 a.m. to 3 p.m.—and the place is the Pasadena Civic Auditorium.

The Pasadena Auxiliary of Boys Republic is sponsoring its 85th semi-annual rummage sale. Don't miss the fantastic bargains to be found in the 24 departments of this nationally famous sale including accessories, art, sporting goods, books, boys and girls clothing, china and glass, women's coats and suits, draperies, dresses, furniture, household, infants, haberdashery, jewelry, lamps and shades, lingerie, men's suits, millinery, pictures, shoes, toys, women's sportswear and hardware and luggage, the sponsors say.

Mrs. Thomas S. Minney, president of the Auxiliary, reports that proceeds from these sales are used entirely for the benefit of Boys Republic, which offers a home, an education, and the opportunity of becoming responsible citizens

to 130 teen-age boys "with a problem."

Since 1911 members of Pasadena Auxiliary have donated their entire efforts toward raising funds to provide social and recreational facilities for the boys that could not be included in the always limited budget of the Boys Republic.

### Gas Plus Match Plus Boys Lead to Blaze

Two 10-year-old boys who applied a match to some gasoline to find out what would happen, Sunday found out. The gas caught fire and they got a stern talking to from Capt. Milt Langum of the Fire Department.

The lads siphoned some gas out of a tractor at an apartment house under construction in the 3900 block on Redondo Beach Blvd., put it in a beer can, and set it afire. They started a small fire in the apartment house, but it was quickly quelled. Firemen sent the frightened boys packing.

VISIT NEW STORE . . . Among the first visitors in the new CGC store at El Prado and Sariori after it opened last week end were Betty and Linda Baker and Mrs. Ottilie Watson, shown here making a purchase from Mrs. Peggy Rogers, clerk. The new store features ladies ready-to-wear on a "self-service" basis, an innovation in the Southland.

## 'For America' Sets Meeting On Thursday

The newly formed South Bay Branch of "For America" will meet at the Knights of Columbus Hall, 221 Ave. I, Redondo Beach, at 8 p.m. tonight to hear the soldier, author and lecturer, George Racey Jordan, major, ASAAF (ret.), who now represents the Committee for a Free Gold Market.

He will discuss devaluation of the United States' dollar and recommend legislation pertaining to this subject.

"Our rapidly growing 'For America' branch has the distinction of being the first such unit formed in California and will have as its name 'Los Angeles County Unit No. 1,'" said Wade Havens, newly elected vice president.

Utah Governor "The 'For America' organization is headed nationally by former Utah Governor J. Bracken Lee whose vice chairmen are Dan Smoot of Dallas, Tex., and Clarence Manion of South Bend, Ind. We believe that there is a tremendous need for a bi-partisan, educational unit of this type that will take its place beside the many other branches springing up all over the nation with the intention of bringing the 'For America' program to the attention of all legislators."

Already plans for the November meeting featuring J. Bracken Lee as speaker at a dinner in Hawthorne, and preparations to participate in the celebration for United States' Day that will be held in Inglewood on Oct. 23 were endorsed by the executive board. Other communities now having units are Bakersfield, Los Angeles, and Santa Ana.

**HOW LUCKY can you get?**

It has been said that people make their own "luck." Probably, to a large extent, this is true. Take for example the family that weathers a financial storm because they have savings to fall back on. They are "lucky," for without that nest egg their entire future could be put in jeopardy.

A Bank of America Savings Account is one of the best ways

you can prepare for your future. In your own neighborhood Bank of America branch your money is always close to home, absolutely safe and immediately available. And that 3% interest we pay on savings adds up to greater security and peace of mind.

### THE EASY WAY TO SAVE!

Take advantage of Bank of America's handy Automatic Savings Plan. Simply authorize us to transfer a specified amount from your checking account to your savings account . . . weekly, semi-weekly, or monthly.
