## Spooks, Hobgoblins Plan To Haunt Torrance Parks

All kinds of gala Halloween events have been planned on the various parks for Oct. 31. The witches will be riding their broomsticks through spook houses accompanied by Ghosts and hobgoblins of all sizes. Games and special activities have been planned with the grease pole climb being the feature attraction at two of the parks.

Time, schedule and individual park programs are as follows:

**El Nido Park**—The party will begin at 4 and end at 5:15 p.m. A costume parade for children ages 1-5, 8-11, and 12-15 years will be followed by apple dunking, a trip through the spook house, and refreshments.

**El Retiro Park**—Costume parade, games and refreshments are in store for boys and girls in the Hollywood Riviera area from 4:30 to 6 p.m.

**Torrance Park**—From 3:30 to 5 p.m. a number of activities have been planned. Included will be a costume parade, refreshments, and a number of surprise games and activities.

**Walteria Park**—The spooks seem to be in control at Walteria Park these days, and many whisperings have been heard regarding the extra special spook house, costume parade, and surprise events that are on the agenda for Halloween. A tiny-tot party for children 4-8 years of age will be held from 3:30-5 p.m. followed by an evening program from 7-9 p.m. for children 9 years of age and older. A greased pole will be "open for business" during the evening program, and boys are encouraged to wear their oldest clothes in preparation for the slippery climb.

**McMaster Park**—Many carnival booths have been set up in preparation for the largest Halloween festivities that have been held yet at McMaster Park. The afternoon program for children 1-5 years will be Halloween movies, a costume parade, stories and refreshments. Mothers are asked to come with their children. Beginning at 7 p.m. a costume parade will start the evening program for those 6 years and older. Judges for this event will be Mrs. Kenneth McVey from the Parks and Recreation Commission, City Councilman, Nick Drale, and John Miller, recreation chairman from the North Torrance Civic Improvement Assn. Later movies will be shown and such carnival booths as goldfish toss, fish pond, car parking, and refreshments, a coffee and donut booth also will be open.

## Temple Plans Discussion

Following religious services Friday, the Temple Menorah in Redondo Beach will hold an adult education discussion on "Jews in Biblical Times . . . What Were They Really Like?"

The topic will be accompanied by a 16mm. sound film in color.

George Lewison will lead the adult education session and the public is invited.
