

**COUNTY OFFERING \$50 LITTERBUG REWARDS**

Another step in his vigorous campaign to end promiscuous littering of county highways was taken Tuesday by Supervisor Burton W. Chace when he won approval from the payment of a \$50 reward for information leading to the conviction and arrest of any one guilty of littering public highways.

Chace also obtained the unanimous approval of his colleagues for the erection of 1500 roadside signs in the unincorporated areas, calling attention to this new reward. "The absolutely disgraceful condition," said Chace, "of the roadsides in the county because of careless and promiscuous dumping of litter along our highways must be stopped; and I believe that measures to end this nuisance cannot be too stern. Therefore, I have

suggested that this reward, recently authorized by the legislature, be enacted by the county."

**Spots Suggested**

Some of the locations recommended for the posting of signs are some 33 spots along the Pacific Coast Hwy. from Topanga Canyon to the Ventura County line, and also in the Malibu area at Corral and Solstice Canyon; Cliffside and Birdview Drive Junctions and Birdview and Westward Beach Rd.

Other locations named by Chace are on Fairfax Ave. between Slauson and Stocker; at the Lincoln and Culver overpass; at the intersection of Jefferson and Culver Bldvs.; Jefferson and Centinela Bldvs.; at Culver Blvd. and McConnell Ave.; at Sepulveda Blvd. and

Centinela Blvd.; and at Slauson and Sepulveda Bldvs.

**More Signs**

In the Compton-Willowbrook area, Chace suggested signs be posted on Willowbrook Ave. along both sides of the Pacific Electric Right of Way; on the west side of the Los Angeles River from Elizabeth St. to Cecilia St.; on the Compton "Cemetery area"; on Broadway from Victoria to El Segundo Blvd.; on Main St. from Artesia to El Segundo; on Alameda from Artesia to Dominguez; also on San Pedro St. from Rosecrans to 135th St.

In the Harbor area, Chace recommended that signs be posted on Normandie from Sepulveda to Lomita Blvd.; on Vermont from 208th St. to Lomita Blvd.; on Figueroa from Carson to Lomita Blvd.; on

Maris Ct. from Victoria St. to 208th St.; on Victoria St. from Figueroa to Wilmington; also on Avalon Blvd. from 165th St. to Carson; on the eastside of Avalon Blvd. from 165th St. to Carson; on Del Amo from Wilmington to Alameda; on Carson St. from Santa Fe Ave. to the westside of the Los Angeles River, and any other locations where the need might arrive.

**DINNER GUESTS**

Dinner guests at the home of Mr. and Mrs. Jack Dean, 22034 Ladeen Ave., Wednesday evening were Fred Abergrombie and Leonard Jones.

**Island Name**

Easter island is so named because it was discovered on Easter Sunday, 1722.

**High School Girl Wins Cherry Pie Baking Contest**

A 17-year-old Torrance High School girl, Shirley Bullock is the new cherry pie baking champion of the South Bay area.

The comely student turned out a flaky, golden brown, lattice-top creation that was acclaimed by judges between bites, as "just about perfect."

Her victory, achieved over three other contestants in a "bake-off" held at Southern California Edison Company's Electric Living Center, earned for her a new electric fry pan as a prize, and the right to compete with other district winners in a "division" contest, according to G. L. Blanchard, district manager of the Edison Co.

Five Edison division winners will compete in the state finals in Los Angeles next January. The California champion then will compete with winners from every other state—plus Canada, Hawaii, and possibly Alaska—in a national bake-off in Chicago on Feb. 20.

The winner of the national contest will receive from the National Red Cherry Institute, sponsor of the contest, a \$500 college scholarship in home economics, a trip to New York and Washington, D. C. and a new electric range. Other prizes will be awarded to regional winners.

Shirley, who said she would "rather bake than eat," was judged on the basis of "method of preparation" and "personal qualifications" (such as poise and grooming), as well as on the quality of her pie, according to Edison home economist, Mrs. Barbara Duffy. The judges, who were privileged to sample the best efforts of all contestants, included Grace Mitchell, Formerly Director of Home Economics for Mira Costa High School; Mona Schaefer, San Marino, Manager and Home Economist for the California Honey Advisory Board; and Brenda Bolman, Edison Co. Home Economist.
