Northrop Hikes Pay By 2 Cents

Approximately 15,500 hourly rated personnel of the Northrop Division of Northrop Aircraft Inc. will receive an additional two-cent an hour cost-of-living pay increase effective Nov. 4, Robert R. Miller, vice president and general manager of the Northrop Division, has announced.

The wage boost was based on the 0.9 increase in the Consumer's Price Index for the three month period ended Sept. 15.

This is the fourth cost-of-living wage increase, totalling 12 cents an hour, awarded Northrop Division personnel, in 1957. A six cent an hour increase was granted in January, one cent was added in April, and an additional three cent increase was awarded in August.

Blazes Rob Firemen of Their Sleep

Firemen didn't get much sleep Friday night as they answered calls to three local industrial plants and helped clean up the mess at a Torrance business house which was flooded.

An overheated oven at the Rubbercraft Corp., 1800 W. 220th St., started a small fire. The automatic temperature control failed to work, causing the trouble.

Firemen also battled a small blaze at the National Supply Co., 1524 Border Ave. Some oily rags in the paint assembly section apparently caught fire by spontaneous combustion. The rags were hauled outside and the fire put out. A controlled burn-off of waste gas at the Stauffer Chemical Corp., Del Amo and Arlington, apparently set off an accidental alarm, answered by firemen.

At the Certi-Bond Corp., 503 Arlington, vandals turned on an outside water faucet. The water overflowed a planter box and poured into the store, causing some damage in a mattress storage room.

Somebody also may have set a fire which burned several trees and a plot of grass near 237th and Walnut Sts.

The firefighters also aided 2-year-old Debbie Sue Schirmer, 2803 W. 163rd St., who was having convulsions. The little girl appeared to be improved after first aid.

Three Women Win Grants At L.A. Tech

Three local women, all students at Los Angeles Trade-Technical Junior College, have been awarded scholarships of \$200 each through the Mabel Wilson Richards Trust Fund.

Recipients are Helen Reiko Yokota, 20, 1348 W. 168th St.; Virginia Lea Nelson, 19, 1729 W. 166th St.; and Gerry Ruth Terheggen, 18, 2053 W. 159th St.

Scholarship, citizenship and leadership are among qualifications considered in making the awards. They will receive the grants in 10 payments of \$20 each.

Misses Yokota and Nelson were graduated from Gardena High School last year where they were active in student affairs. Miss Nelson was a member of the Alethins, honorary scholarship society. At Trade-Tech she is studying costume design. Miss Yokota was active in the Coeds and Masque and Pallet and Gardena. She is enrolled in commercial art classes at the college.

Miss Terheggen served on the Senior Council while attending North High School and was a contestant for Sweetheart of Trade-Tech earlier this year. She is also studying costume design.
