HOW'LL THEY GET IT HOME? . . . Towering over petite Drag Queen June Shultz (4 ft. 11 ins., 103 lbs.) is 6 1/2-foot, 200-pound trophy which will go to the top eliminator among 250 drag racers who clash Sunday in the second annual Lions Associated anniversary meet on their 223rd St. and Alameda Ave. strip near Long Beach. The award is the biggest on record in the Southland.

34 Dragsters Seek Huge Trophy, But What'll They Do With It?

Thirty-four drag titlists, among a potent field of 250 entries, will harvest a brand-new crop of records, and the over-all champ will win one of the biggest trophies ever presented, Sunday.

The event is the second annual anniversary meet of the Lions Associated Drag Strip at 223rd St. and Alameda Ave., near Long Beach.

The day-long speed clash, to start at 9 a.m., will see nearly 2000 acceleration runs over the 1/4-mile black-top — including duels by several 1958 Model stock Fords and Chevies.

Two Problems Meet Director Mickey Thompson said top eliminator among the 34 car and cycle classes will get the prime award which, he admitted, will immediately pose two problems for the winner.

How to "drag" the 6 1/2-foot, 200-pound "testimonial" home and then, where to display it!

"It cost several hundred dollars and was specially designed," said Thompson, "the winner had better appreciate it."

Dual entrances to the strip will be set up to avoid traffic jams, and bleacher-parking accommodations arranged for over 6,000 spectators.

New Marks Sought Ace cycle-car dragsters of the southwest, including all of the "old" course record holders, will be after the new marks. In the array will be 15 of the super-hot, gowed-up dragsters.

Retiring LADS president, Al Hinz, stated that two years of operating the big strip have proved all the Lions Clubs had hoped in launching the ambitious venture.

"We've afforded a quarter of a million sport fans enjoy-

ment and, we believe, a little 'drag' education at very nominal cost, plus helping our own youth and civic service program," said Hinz.

Hot Rodders Happy "We've also given hundreds of so-called hot-rodgers a chance to satisfy their speed urge under strict safety regulations, rather than in the backstreets or highways.

"Our safety record is excellent. After more than 200 meets, some nationally important, since the strip opened, I'm convinced we've helped to prove that properly conducted drag racing fills a worthwhile and important place in community life."

'Joyous Season' Tryouts Slated Tonight, Friday

Hermosa Beach Playhouse on the Pier announced that its opening production will be Philip Barry's "Joyous Season."

While it has a serious undercurrent, this play by the well-known author of "Holiday" and "The Philadelphia Story" is fundamentally a comedy of character. "Joyous Season" tells the story of a youthful Mother Superior and her temperamental family. The cast is composed of 12 people, ranging in ages from a youthful 20 to an Irish 60.

The play was last performed on Broadway with Ethel Barrymore, Montgomery Clift and Eva Marie Saint heading the cast. The "Joyous Season" is so constructed that every role gives the actor a real chance to create an outstanding character. The story takes place during the holiday season which makes it an appropriate choice for the Playhouse, which will open in December.

Tryouts will be held at 8 p.m. tonight and Friday and at 2:30 p.m. Saturday. The Playhouse invites all interested persons even though some may not be available for this particular production. Tryouts will be at the Playhouse, Pier and Strand, Hermosa Beach.
