The Paul Konstan Family . . .

'Thanksgiving In Torrance' Portrayed by Local Family

Typical of families of this area are the Paul Konstans, 2317 Gaucho Dr., Rolling Hills.—This family consisting of the parents; three sons, Arthur, 11 years old; Michael, 8, and Ralph, 6, and one charming daughter, Louise Ann, 4, have been chosen to have their Thanksgiving Day activities photographically recorded, typifying a Thanksgiving Day in Torrance.

For 16 years, Mr. Konstan has been employed as an engineer with the Shell Chemical Company. He is a member of the vestry at St. Andrew's Episcopal Church, is scoutmaster of Troop 756; vice-president of the Larga Vista Property Owners' Assn., committee chairman of Cub Pack 241-C, and teaches the high school Sunday school class at St. Andrew's Episcopal Church.

Mrs. Konstan, besides conducting a home for an active family, is secretary of two Cub Scout packs, 756-C and 241-C. She teaches a high school class at St. Andrew's and is a member of the St. Elizabeth and Altar guilds.

Arthur is a sixth grade student at Dapplegray School. He is a Boy Scout, second class, Troop 756; belongs to Gray-Y, and is an acolyte at the family church. Michael is a third grade student at Miraleste and is a wolf, Cub Scout, Pack 756-C. Ralph is a first grade student at Miraleste.

Louise Ann accompanies mother on her activities and indulges in the love offered by three older brothers and her parents.
