Lance is the son of Mr. and Mrs. Mark Bennett of 427 Calle de Felipe, Torrance. During the Friday evening worship Lance assisted Rabbi Henri Front, spiritual leader of the Temple, by reading the prayers and blessings in the ritual. Mark Bennett, the father, is a past president of Temple Menorah. Roberta Bennett, Lance's mother, is a past president of the Sisterhood of Temple Menorah, and both are presently active on the Board of Directors of the Temple.

Temple members and friends and relatives of the Bennetts were invited to attend this very significant occasion, which was followed by a reception at the Temple, and another on Sunday afternoon at the home of the Bennetts.

My Neighbors

Belger remarked, "The most terrifying thing that happened while I was in Alaska was seeing a man almost clawed to death by a bear. There was a mother bear with two baby bears. The babies were tame, and we used to ride them all the time. However, the fellow climbed on the mother bear, who wasn't tame, and he was sorry later."

Next on the Belger travel itinerary is a trip to Hawaii where the athlete hopes to surf extensively next summer.

Actually, Belger, one of the most ominous threats on Coach Dave Hengstler's powerful squad this season, never intended to be a wrestler. His original interest was basketball. The grappler played first string on the junior varsity and B teams in his first two years at Inglewood High School.

Belger went out for wrestling and developed so quickly that he didn't lose a match, winning the Bay League CIF Championships in 1956. He repeated those achievements in 1957.

In college competition last season, he won the State Junior College championship. In all, Pelger has defeated 76 of 79 opponents.

The native of San Jose is a business major and is undecided as to what college he will attend on leaving El Camino. His academic future is secure, however, as he has numerous wrestling scholarships dangling in front of him.
