

Real Estate Office Opens

Announcement was made today of the opening of a new real estate office, A-1 Realty, to be located at 15727 S. Western Ave., Gardena.

Staff members, who were all formerly associated with McCarthy Co., include Gus Rosco, manager, and Bill Cougie, Ernest Vincent, and Jack McClatchy, salesmen.

In addition to selling real estate, the new firm will give free appraisals, pay cash for equity, and conduct a rental service.

Walteria Group To Discuss Post Office Problems

Mrs. Clara Conner, postmistress of Walteria Post Office, will report on the progress of improvements being made at the post office building at a meeting of the Walteria Civic Assn. to be held at 9 p.m. Tuesday in the recreation building of Walteria Park.

The post office building must meet certain standards before the civic association can campaign for lengthened hours of service, it was pointed out by W. M. Crowe, president, in announcing the meeting.

Also to be discussed will be the problem of door carrier service. Assistant Postmaster Wyatt will also be present.

Puppets Teach Dental Lesson

Students at Casimir School got a lesson in dental health through a puppet show and movie presented at an assembly last week.

Miss Carol Ramaker's seventh grade class sponsored the program, with Wayne Johnson, Nellie Bazellus, Ronald Wood, Mike Gillian, Garry Stauffer, and Nancy Soucy taking part.

Written by a Brownie group, the puppet show was put on by Mrs. J. Landsberg, with Mrs. W. Remak and Mrs. T. Larridson.

The program was in preparation for the annual school dental health check to take place next Monday.

'Love' To Be Christian Science Sermon Theme

The Golden Text, which introduces the lesson-sermon on "Love" to be heard in all Christian Science churches Sunday, irrevocably designates love as the one way to a knowledge of God. "He that loveth not knoweth not God; for God is love" (1 John 4:8).

Illustrating God's bountiful love in the Scriptural passages is the many-faceted story of Joseph found in Genesis. Jealousy, envy, and greed, engendered by human affection, would have destroyed Joseph, but through his manifestation of God's love, the attempt was turned into a full harvest of blessings, and harmony was restored.

Specialists in their field will be guest speakers each week. Topics to be discussed will include: laws and regulations governing small business, budgeting for small business, record keeping for small business, human relations and communications, public relations and communications, insurance, and inventory control and sales.

Additional information is available at the Adult Education Office (FA 8-8080, ext. 295, afternoons, and FA 8-9206 evenings) located in Torrance High School, 2200 W. Carson St.

Three-Man Art Show Opens Here
