HUNT RUNS GAS HOGS OUT OF TORRANCE AREA!

"Joe Gas-Hog" Routed!

In just six short months Hunt Rambler has established itself as one of the top dealers in this area —not only for volume dealing, but for a sound, dependable reputation for honesty and integrity.

Hundreds of dollars are being saved daily at Hunt's by eager car buyers, it is reported.

As one recent Rambler customer put it, "I'm able to meet the low monthly payments on just what I save on gas and operation."

A salesman at Hunt Rambler summed it up when he said "people are just fed up with feeding the gas-hog demands of other cars."

ECONOMY MINDED... Here are just two of the many models of the fabulous 1959 Rambler available at Hunt Rambler Sales in Wilmington. Less than 1 cent per mile to operate, buyers are finding that the easy monthly payments are being met with the money they save on operation.
