Plans for Annual Serra High Fiesta are Underway

Preparations for the 8th annual Fiesta of Junipero Serra High School are well underway, according to Donald Krietch and George McNeill, co-chairmen of the event, which will be held on the school campus at Van Ness and Compton Blvd., Gardena, April 25-26.

A typical carnival atmosphere will prevail for the two full days and nights, featuring booths of all kinds, rides for the kiddies, free gifts, and a tasty, catered dinner for the thousands anticipated. "Proceeds from the affair will be earmarked for specific projects," stated Tom Lynch, Booster Club president. "We hope the Fiesta will provide topping of our huge parking lot and a thorough painting of all buildings this year."

Brother Joseph Hoffman, S.M., Principal of Serra, pointed out the past progress realized for improvements in school facilities since the first Fiesta was held: vast stocks of books for the library, modernization and expansion of

science laboratories and trade shops, bleachers and lights for the football field, band instruments and uniforms, extensive gymnasium equipment and furnishings.

Rallying to the cause are all organizations affiliated with Serra High School. Faculty Advisors are James Johnson and Al Fiola; and coordinator of Mother's Club activities is Mrs. Clint Wiley. The student body of 640 boys representing families in more than 30 parishes in the South Bay area, will be invited to participate actively in the Fiesta preparations at a huge kick-off rally in the Serra gymnasium on April 6.
