**Casimir**  
Education is the growth of cultures with which humans are endowed at birth, one of the statements to which members of the Casimir reacted Wednesday night, 11, as part of the evening program entitled "This is the Way We Go to School."

Following the presentation of the film "Skippy and the Three R's," depicting the first school experiences of a boy in one of today's elementary schools, buzz groups were formed and reaction statements were discussed.

A report was made by each buzz group and stress was placed upon the importance of helping each individual child accomplish the very best work he is capable of doing. The reports were summarized by the program moderator, John Dunworth, principal.

An election of officers for the 1959-60 term was held during the business portion of the meeting. They will be: president, Mrs. L. G. Graham; first vice president, Mrs. Norman L. Boy; second vice president, Mr. J. Dunworth; third vice president, Mrs. L. G. Augustson; fourth vice president, Mrs. Dean Neidhardt; recording secretary, Mrs. W. J. Keberlein; corresponding secretary, Mrs. W. F. Hunter; treasurer, Mrs. M. Aguilari; auditor, Mr. Giacomelli; and historian, Mrs. Patrick Narey.

Mrs. W. F. Hunter reported on the summer recreational program. To insure that a program will be available for the children of this area, Mrs. Hunter urged parents to give a short period of their time

each week assisting the Torrance Recreation Department personnel at the school. It would necessitate attendance at class meetings in May to learn crafts and supervisory methods. The training would be valuable in the home or in connection with youth organizations also.

The goal of 100 boxes of magazines for the "Magazines for Friendship" project will be reached within the next week, it was reported by C. Sewell, chairman.

Open House will be held following a brief association meeting April 8 in the school cafeteria from 7:30 p.m.

**Calle Mayor**  
Calle Mayor PTA has elected and installed its new officers for 1959-60. They are Mrs. Donald Moore, president; Mmes Warren Boggs, George Kertz, and F. Rovazzini, vice presidents; Mrs. P. Ricketts, recording secretary; Mrs. H. E. Radney, corresponding secretary; Gil Alberio, treasurer; Frank Hooker, auditor; Mrs. J. Stanley, historian.

At the next association meeting to be held April 14 there will be a silver tea, proceeds to go to the American Field Service program. Guest speakers will be two foreign exchange students, one American and one from Germany.

Foreign baked goods will be featured during the social hour following the meeting.

Griffin, recording secretary; Mrs. R. O'Connell, corresponding secretary; Mrs. Cleo McComas, treasurer; Mr. Doyle Wolf, auditor and Mrs. Lee Polick, historian. These officers will serve for the 1959-60 term.

An enjoyable play was enacted by students of the 7th and 8th grades under the direction of Albert Costas, 8th grade teacher.

The student body officers

were introduced to the audience. A quartet of teachers sang several selections. Included in the quartet were James Kill, Earl Brabant, Albert Costas and James Armstrong.

Another outstanding feature of the program was a fashion show by the students of a homemaking class modeling the clothes they had made. Mrs. Connie White was commentator.

On display was woodwork completed by seventh and eighth grade boys.

Following the program, refreshments were served.

Following the brief business meeting of the PTA, Mr. James Nichols will present a varied program by students of the Fine Arts department of the school. An art display sponsored by Larry Macary and a madrigal choir and dance band directed by Mr. Nichols will be presented. Under the direction of Miss Marcia Larson, drama teacher, a Lions Club winning speech, "Complicity—A Threat to America" will be given by Sally Mason and the one-act play "The Education of Rutherford Pygmalion" by Lynn Keller will be staged. Plans are progressing for the All-Night graduation party. Donations to the expenses of the party have been received from the Parent-Teacher units of Fern-Greenwood, Newton, Torrance Elementary and Howard Wood Schools. Any other organizations interested in contributing may call Mrs. E. C. Osterlind.

**Anza**  
The spring series of the Anza PTA Parent Education Meetings is now in progress. The first of the series was held in the cafeteria of the school on March 31 at 7:30 p.m. The topic for this meeting was "Reading." Parents and teachers met and discussed how reading is taught in the grades, including the use of phonics and sight reading. Slides were shown, and different problems and questions were raised and discussed.

Language Arts was the topic of the second meeting which was held on April 7 at 7:30 p.m. The topic for this meeting was "Mathematics and Science."

The Parent Education Committee urges all parents and interested persons to attend these meetings. This is an opportunity to find out how the more academic subjects are taught in our schools and to bring in questions about these areas of our education.
