

Dr. Townsend to Discuss Germany

Dr. Stanley R. Townsend will present the final lecture in the series "Russian Influence—Today and Tomorrow," offered by the Adult Education Department of the Torrance

Unified School District, Monday evening, at the Torrance High School Auditorium.

Dr. Townsend, world traveler, educator and professor of German at the University of Southern California, will speak on "Germany, the Critical Country." Recently returned from a year in Vienna, the outpost of western freedom lying twenty miles from the Iron Curtain, where he lived through the Hungarian Revolution and talked with refugees who had escaped Russian guards, he was a special correspondent for the Associated Press during Chiang Kai-shek's struggle with communism, a school teacher in the mountains of Central China, and a Japanese language expert for the Navy during the war.

The lecture is open to the public. Tickets may be obtained at the door or from the Adult Education Office, Torrance High School, 2200 W. Carson St. Teachers may obtain institute credit.

C. M. Christie Is Elected to Railroad Board

C. M. Christie, industrialist resident of Rolling Hills, was elected to the Board of Directors of the Little Miami Railroad Co., Cincinnati, Ohio, the Herald learned yesterday. Christie is noted as one of the few Los Angeles industrialists who became the president of a large Eastern firm. Beginning as a rubber goods salesman for Goodyear, Christie developed the Hawthorne facilities of American Latex Products Corp. to its present role as a major supplier of latex and urethane plastic materials in the West. The Peninsula industrialist is now president of the Dayton Rubber Co., and its subsidiaries, American Latex Products Corp., Hawthorne; Strato Safety Equipment Corp., Torrance; Hardman Tool and Engineering Co., and Aircraft Standards, Inc., of Los Angeles, California.

The Little Miami Railroad Co., Christie's most recent interest, is the oldest railroad in Ohio, first incorporated in 1834. Its 200 miles of track between Cincinnati, Columbus, and Richmond is currently operated by the Pennsylvania Railroad, the majority stockholders.
