

**Check Enroute To Boost Funds Of Schools Here**

Torrance Unified School District will get a U.S. Treasury check in the amount of \$160,379.00 in the next few days for federal assistance with current expenditures, Congressman Cecil R. King announced in Washington today.

The award is under Public Law 874 which provides financial assistance for schools in federally affected areas. A total tentative entitlement of \$251,575.98 has been allocated for the Torrance Unified School District by the Department of Health, Education and Welfare for fiscal 1959. Additional payments, however, will have to be prorated at approximately 85% of the entitlement from funds available. Congressman King stated that the money was secured in application submitted by J. I. Hull, superintendent of the Torrance Unified School District.
