Red China to Be Topic of ECC Lecture

A British-born businessman now residing in California will discuss Red China in the final presentation of the current El Camino College lecture series Monday at 8:15 p.m.

Tickets for the Felix Greene lecture, "Inside Red China Today," are now on sale to the public in the college book store for \$1.25. Students and employees holding ticket books will be admitted without charge.

Mr. Greene will give an eyewitness report of his tour of Communist China and will analyze the role which the Russians are playing in the new developments of the country.

EARLY NAME
California was originally called New Albion, a name given to it by Sir Francis Drake about 41 years prior to the landing of the first Pilgrims at Plymouth Rock.
