### Luxury Motoring At The Least Cost

#### THAT'S HILLMAN FOR '59

**ECONOMY**—35 miles to the gallon! That's the favorite economy feature of the Hillman. And there's another — the low initial cost. That's why, for the money, Hillman is "best buy" among imported cars selling for under \$2000.  
**PERFORMANCE**—larger engine, larger battery, increased acceleration for better performance at today's highway speeds.  
**COMFORT**—deeper, foam rubber seating. Ride relaxed even on those long trips.

**STYLING**—Brilliant new curved grille. Beautiful new colors—vivid 2-tones, distinctive single colors.  
**SAFETY**—Single-welded unit construction of heavy gauge steel for greater strength and safety... freedom from rattles.  
**HILLMANSHIP**—to drive the 1959 Hillman is to discover it. It's the result of brilliant British craftsmanship, a precision-built engine, distinctive styling and solid construction. Discover Hillmanship today.
