FOR PERFORMANCE,
ECONOMY, ROOM, BEAUTY...
IT'S THE **HILLMAN HUSKY**

The Husky's reliability and ruggedness are legendary. Before you buy, discover the other exciting features of this world-famous station wagon. Discover its...

PERFORMANCE... it cruises easily at 75 mph with a full load... hugs the road like a magnet... features new suspension; sturdier, all-steel unitary construction; safer step-down design, and a new, more powerful, overhead valve engine!

ECONOMY... the Husky delivers up to 35 mpg... costs \$1000 less than "low-priced"

American station wagons... costs less than 1/2 to operate!

ROOM... there's ample room for 4 adults and 300 pounds of luggage... flick down the rear seat and there's room for 300 more pounds of cargo! A full-length rear door lets you load without lifting!

BEAUTY... the Husky is styled for American tastes by renowned British craftsmen! Hand-rubbed lacquer finish, full-circle visibility, and smart, uncluttered lines all combine to make it a beauty to drive, a bargain to own!
