Sale of Sales  
We intend to do our part, and more, to reinstate public confidence in the AUTOMOBILE DEALER. Of course, you understand there is nothing we can do to curb the unscrupulous advertising a few of the so-called volume dealers are doing. We know as well as you, that it is 99.9/10% Fake, but your response to it either puts it over for them or kills it.  
Common sense tells us they can't exist without taking a profit and it would be an insult to our intelligence to have them believe we think otherwise.  
Our prices on everything in our stock will be SLIGHTLY OVER WHOLESALE  
FOR THE BALANCE OF THIS MONTH. So if you need a good car and are interested in a fair deal, come in and try them out. We give Bank Terms Only.  
We have most makes and models from 1950 through 1957.
