### Metro Athletes Rewrite Book As Marks Set

Metropolitan Conference track and field athletes practically rewrote the record book last Friday as six marks fell and two were tied during the annual Metro Meet.

Bakersfield College athletes, 1958 dual meet champs, came through in fine style with 116 2/3 points for top spot in the annual affair which should put them in a favored position to cop the Southern California JC Meet on May 20 and 23 in their own stadium.

San Diego's Roscoe Cook got the Metro Meet started on the right foot by running a 9.6 in the 100 to tie the existing record. Teammate Bob Staten followed suit by ambling 47.2 in the 440 for a new Metro mark and only 1/10 of a second off the national record set 20 years ago.

Dennis Hester, of El Camino, hung up the second record of the day with a 1.55. In the 800, followed in rapid succession by San Diego's Tony Sucec's new mark in the mile—4:24. and a 9:36.9 two mile by Tom Ryan from El Camino College.

Bakersfield's topnotch relay team climaxed the big meet by leading the field to a new Metropolitan Conference record of 3:19.8. It was the lead all the way for Dag Wold, Jerry Tarr, J. C. Phillips, and Jesse Bradford as the Bakersfield relay crew eclipsed the old record by 3.4 seconds.

In the broad jump it was Harbor's Bill Jackson that contributed a record breaker at 24' 3/4", while Bakersfield's Jesse Bradford tied the pole vault mark of 13' 7 1/2".

Look to these Metropolitan Conference tracksters to bring home the gold medals in the Southern California Meet.
