

College Honors Duo at Dance For Activities

Don Quackenbush and Miss Pat Fickett will receive the tribute of fellow students and faculty members tomorrow, when they are officially crowned Emperor and Empress of El Camino College at the Rivera Country Club.

The pair will become the 11th couple to receive honors for their contributions to the college and for outstanding personal character.

The new emperor is commissioner of activities this semester and in this capacity is chairman of the Emperor and Empress Ball committee. He is president of Sigma Phi Kappa fraternity and was head yell leader during the past year.

Miss Fickett is student body secretary and a former president of the Associated Women Students. She wrote the AWS handbook and, by coincidence, made plans for the ball last year.

Organs Herald Managers' Month at Ralphs Stores

Outstanding values and a prize drawing for the new Thomas Electronic Organ high-light Manager's Month at all Ralphs Complete Food Stores.

Managers of the Ralphs stores served by The Torrance Herald include Herb Richardson, manager of the newest Ralphs at 2205 Rosecrans at Van Ness in Gardena; and Earl Miller, manager of Ralphs South Bay Store, 2201 Hawthorne, at Redondo Beach Blvd., in the South Bay Center.

The new Thomas Electronic Organ, first organ in the world to contain a built-in hi-fi record player, adds a melodious note to Ralphs annual Managers' Month Sale. Registration at all Ralphs Complete Food Stores started last week, and the first prize drawing is scheduled to take place on Saturday. In all, four of these organs will be given away at Ralphs each week. No purchase is necessary to be eligible for the drawing.

Really a compact music center in one handsome unit, the Thomas Electronic is a magnificent organ to play, with dial-a-tone offering "a thousand voices." The hi-fi record player is full range, with four speeds. And an exciting added feature is the "built-in teacher" with special records to instruct beginners!

The nearest Thomas Electronic Organ dealer is the Keyboard Organ Studios at 2159 Hawthorne Blvd., in the South Bay Center.

PROCEEDINGS AND DEBATES OF THE 85th CONGRESS, SECOND SESSION

KNOWLAND Has Voted For Measures that BENEFIT the Working Man

1. Voted for minimum wage increases.
2. Voted for Social Security Amendments to increase benefits and persons covered.
3. Voted for the Act favoring Federal

Policies to promote full employment.

4. Voted to bring smaller firms into unemployment compensation program so as to give jobless benefits to more workers.

While a member of California legislature, supported legislation which assured every worker the right to join a union of his choice. This outlawed the so-called "Yellow Dog Contract," and prohibited management from discriminating against hiring of union members.

Today Bill Knowland is a Candidate for Governor of California

He says to you:

1. The right of every American worker to belong to a union must continue to be effectively protected by law.
2. No American should be compelled to belong to a union to earn a living. Voluntary unionism will make unions responsible to their members and to the public.
3. Union members should enjoy the protection of a Workers' Bill of Rights which includes election of officers by guaranteed secret ballot and provision for recall of officers by secret ballot.

Vote for BILL KNOWLAND for GOVERNOR June 3rd

Southern California Knowland for Governor Committee, Raymond J. Arbutnot, Chairman, 4056 Wilshire Boulevard, Los Angeles, California
