More than 100 boys sold 3000 dozen doughnuts, benefit dances, parties and donations aided the fund which was to build the ball park.

It took 1000 truck loads of fill dirt, a bulldozer, a grader, moving trucks, oil well boring rigs and other heavy equipment the get the field leveled off.

In addition, youngsters and their parents used 3000 feet of pipe, 5000 sq. ft. of chain link fencing, 2400 sq. ft. of board fence, and 10,000 board feet of structural lumber.

Use of the site was granted by the Torrance city council and parents and their youngsters did the rest.
