Some Facts Regarding Christian Science

Christian Science is Christian: It is based on the teachings of Jesus as recorded in the Bible.
 Christian Science is scientific: Spiritually logical and unfailingly consistent, its prayers affirm and demonstrate man's true nature to be in accordance with God's perfection.
 Christian Science is demonstrable: It supplies the needed answers and the needed evidence to the sincere seeker. A thoughtful study of the Christian Science textbook

SCIENCE and HEALTH WITH KEY TO THE SCRIPTURES
 by Mary Baker Eddy
 gives convincing assurance that this great Science of Christ is indeed the Comforter promised by Jesus.
 Science and Health may be read, borrowed or bought at

Sermon Says God Is Cause
 The Lesson-Sermon in the Christian Science churches Sunday is built on the theme of God as Cause and of God as Creator.
 The spiritual nature of true being as contrasted with material theories of creation will be discussed. The subject of the sermon will be "God the Only Cause and Creator."
 A portion of the service is devoted to statements from the thirty-third Psalm in the Bible where the Psalmist says, "By the word of the Lord were the heavens made; and all the host of them by the breath of his mouth . . . For he spake, and it was done; he commanded, and it stood fast" (6,9).
