WHY HILLMAN?

The Car That Is New In Every Way

- Safest Car On The Road
- Styling Of Tomorrow
- Greatest Performance On The Road
- Unbelievable Economy

HERE'S HOW THE EXPERTS RATE THE BRILLIANT NEW 1958 HILLMAN:

FORTUNE: "The Hillman, in the opinion of the writer, the Rothman—at the price—probably is the best buy among the more popular foreign cars selling under $2000."

CAR LIFE: "The Hillman 4-door Estate Wagon's combination of Americanized styling, ample performance and elegant comfort gives it Car Life's BEST BUY AWARD."

MOTOR TREND: "An excellent choice as a small car for the one-car family. More power from a sturdier engine—speed and acceleration to cruise easily at highway speeds. Durable, service and parts facilities radily available. Doors close solidly and unit construction body should remain rattlefree. Even six-footers can find leg room to ride comfortably."

MOTOR LIFE: "The four-speed floor shift is a little gem. Economy . . . good in all types of traffic and driving conditions. Should have wide appeal with those interested in smaller initial cash outlay."

SPORTS ILLUSTRATED: "For value, we pick the Hillman Husky ($1685) as a utility car."

Now . . visit your Hillman-Sunbeam dealer for a test drive. See for yourself that Hillman has the most power and acceleration in its class, ample room for you and your family, and trunk space for vacation luggage, too. Five models to choose from: 4-door sedans, sports convertible, 2- and 4-door station wagons . . . from $1685.

HILLMAN is as new as today --- in every way
