the big reason Builder Kemp is an American Saver

Sure . . . high interest and insured savings were important considerations when Builder Don Kemp was deciding where to save . . . but the really BIG REASON he selected AMERICAN SAVINGS was that he considered it one of the strongest institutions of its kind in the nation.

Builder Kemp wanted to be sure his money would be available when needed . . . preferably for his retirement needs . . . but maybe for an emergency.

Engineer's training had taught him to look for facts, and here's what he found out about AMERICAN SAVINGS:

$150,000,000 in Assets make it one of the nation's 20 largest.

$14,000,000 in Reserves make it one of the strongest in the country.

Founded in 1923, with 35 years of satisfactorily-paid interest payments.

50,000 Accounts-Others, with many accounts active more than 20 years.

Source of Reserves to Savings
Minimum Federal requirement – 5%
Savings National average – 8%
American Savings – 11%

These facts convinced Builder Kemp – of Kemp Bros. Corp., Los Angeles and Whittier – that AMERICAN SAVINGS was the Strongest, and he is sure it's also the most Convenient.

Nine offices are ready to serve you . . . or you can save by mail. Money invested by the 10th of any month earns interest from the 1st. Drop in tomorrow or clip coupon below, or simply put a note in the mail.

Girls' Softball Teams Battle In Second Half

With the Girls' Softball League half finished the Vandals are on top without a defeat. The rest of the league resembles the American League and the battle is now for second place between the Devilettes, Pirates and Esahs. This situation resulted when the Esahs defeated Vickers Queens on Tuesday night at McMaster Park, 21 to 2. This game set a record for the summer for the number of home runs hit in one game with four round-trippers hit by Shirley Powell, Jeri Henley, and two by Cynthia Pedersen. The winning pitcher was Kathy Fisher, who gave up only two hits.

The Pirates stayed in the fight for second by downing the Spartettes, 28 to 3, at McMaster Park on Tuesday night. The Pirates went on a hitting spree, collecting 17 swats in six innings. Triples were hit by second baseman Joyce Ewart and third sacker Diana Mitchell. The winning pitcher was Terrie Powers, and the loss was tagged on Kathy Miller.

In a single game played Thursday night at Walteria Park the Vandals continued on their winning way toward the league championship by defeating the Raiders, 15 to 1. The winning pitcher, Dot Nelson, had two rough innings when she loaded the bases on a walk and two singles but managed to retire the side on strikeouts. The losing pitcher, Mary Reasbeck, who gave up 13 hits, including four for four by the Vandals' third baseman, Anett Hamilton.

Grading Plan Approved for Industry Site

A street and grading plan to permit industrial development of a huge area north of Maricopa St., between Crenshaw and Maple Ave. was approved by the city council this week.

The plan was approved at the request of the Santa Fe Ry. who announced that the electronics division of Magnavox is scheduled to be situated on 10 acres of the property. The firm seeks an option on another 10 acres of the adjacent property.

The council at the same time instructed Planning Commission President Bert Lynn to begin action to get Del Amo Blvd. opened up between Crenshaw and Maple Ave. at least, to divert truck traffic away from the residential areas of Torrance Gardens.

Freshman Councilman George Bradford has been strongly advocating action to open Del Amo, scheduled to become a large throughway in the future.
