Somewhere In Torrance
There's A Man

He's between 25 and 40. He's doing well. His present employer likes him. He has luck forward to slow, steady advancement through the years. And there's plenty of security. But, secretly, he isn't quite satisfied. He knows he's capable of doing better.

There's an opening coming up in our organization which is going to be more attractive to such a man. We're in no particular hurry to fill it. But we're very interested in talking to the right man now and the right man will. If you're interested, write us a letter. Or, if you prefer, phone collect to Los Angeles, DU 8-8240. Tell us your business experience and personal status. We'll get in touch with you at once and arrange a meeting to talk it over. It may be a real-letter day for both of us!
