

Christian Science breaks the grip of matter

Many people have been healed of apparently hopeless troubles and diseases through prayer in Christian Science.

They have found a better way of life. They have gained, or regained, peace and confidence.

How anyone can learn to pray understandingly, effectively, is fully explained in the first chapter of Science and Health with Key to the Scriptures by Mary Baker Eddy. Such prayer is the spiritual understanding of God and of man in His "image and likeness," as the Bible teaches.

Science and Health may be read or borrowed at any Christian Science Reading Room. Send \$3 for a copy postpaid.

Borneo Church Built by Local Methodist Funds

A Methodist church in Torrance is building a new church in Sarawak.

According to an article published in the July-August issue of The Methodist Story, the members of First Methodist Church sent \$633.85 to build a church among the Dyaks in Sarawak.

Since only \$500 is required to build a church in this South Pacific country (Borneo), there will be some money left for school facilities.

The Methodist Story, official program journal of The Methodist Church, goes to the pastors and key leaders of the 40,000 Methodist congregations in the United States. Edited in Chicago, it has a circulation of 225,000.
