

L.A. Hospital Admits Two From Here

Betty Plunkett, 9, daughter of Mr. and Mrs. William C. Plunkett of 23501 Madison St., and Steven Salazar, 4, son of Mr. and Mrs. Bruno Salazar of 18525 Taylor Ct., Torrance, have been admitted as patients at Los Angeles Orthopaedic Hospital. It was announced today.

Torrance is one of the many Southland communities which sends its handicapped children to Orthopaedic Hospital to become straight and strong.

While the hospital serves private patients, no disabled boy or girl through the age of 21 who can benefit from orthopaedic care is refused admission regardless of race, creed, place of residence or ability to pay. Since 1920, more than 70,000 crippled children have been cared for at Orthopaedic Hospital.

ALTHOUGH operational funds are provided Orthopaedic Hospital through such sources as Los Angeles Area Community Chest, its capital funds for expansion and new building must be raised through public appeal, officials pointed out.

Residents of communities where children receive help were urged to support the institution's current fund drive for a new \$6,500,000 children's center, where care of the Southland's growing numbers of crippled children can be continued.

Contributions to the fund drive may be sent to Orthopaedic Hospital, Los Angeles 7.

Cecil C. Graham has been named unit sales manager in General Electric's Redondo area, according to E. W. Adler, manager of the Frontier number area. "This promotion became effective July 16th and is a newly created post," Adler said.

Graham, who was born in Carlow, Ireland, and attended All Saints grammar school in Belfast and Masonic high school in Dublin, and later, Belfast College of Technology, came to Long Beach in 1952 and began his telephone career as an equipment installer. He has since served as commercial representative and commercial representative supervisor in the Redondo exchange. Married to the former Jessie Bell in Belfast, he and his wife have two children, Helen, 16, and Raymond, 13, and reside at 2712 Spreckels Lane in Redondo Beach.

MOVABLE LOUVRE HARDWOOD SHUTTERS

INTERIOR EXTERIOR
Made of beautifully grained, carefully selected hardwoods that lend themselves to a much greater and better variety of natural, varnish or paint finishes than the cheaper, softer wood shutters. These are hand sanded ready to paint or stain. Use as room divider at windows, doors, cabinets, for screens, etc. These are easily installed and can be trimmed to fit your special needs. Also make beautiful permanent exterior decorations. We carry all modern & provincial stylings of hardware: knobs, hinges, catches, screws, etc. in various styles. Brass, copper, white porcelain, etc. at real saving prices.
