Testimonial Honors Burion Chase

Fresh orchids flown from Hawaii will be presented each lady attending the Testimonial Banquet honoring County Supervisor Burton W. Chase at the Polynesian on Sept. 3 in Torrance, and every person will receive a Hawaiian lei by lovely Betty Baker ("Miss Torrance.")

General Chairman, Frank Stevenson, president of the sponsoring Surf Lifesaving Association of America said tickets are moving at an unprecedented clip and that a sell-out of 600 people is almost assured.

Stevenson said already information has been received that testimonial awards will be presented Chase by the Palos Verdes Chamber of Commerce, the Torrance Chamber of Commerce, Lomita Chamber of Commerce, the Southern California Surf Lifesaving Association, the Surf Life Saving Association of America and Life-guard Association from the City of Long Beach, City of Santa Monica, City of Los Angeles, and the County of Los Angeles.

Tickets for the South Sea type dinner are available at all beach city chambers of commerce at \$3 per person.

Great Western Savings Names New Officer

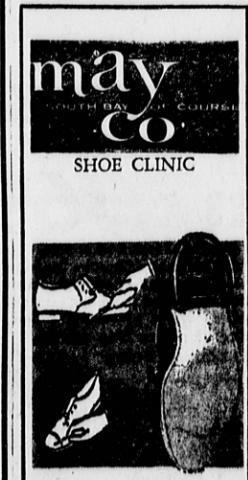

John F. Marten, president of Great Western Savings, announced that Robert S. Borden has been appointed vice president in charge of the Savings Division of the Association, by its board members.

A native Angeleno, Borden has spent 29 years in the financial field in this area and has been associated with the savings and loan industry in executive and managerial positions since 1950. Borden's prime responsibility will be administering the association's savings policy and in maintaining Great Western's keen interest in building sound family savings investments.

The tremendous growth of Great Western Savings is evidenced by the increase in savings accounts. As of June 30, savings totaled more than \$241,000,000 or an increase of \$34,000,000 over a year ago.

Borden attended USC and Southwestern Universities in addition to graduate classes of the American Institute of Banking and the American Savings and Loan Institute. He is presently an active member of the Lions and Elks Clubs of Anaheim and a member of the Anaheim City Council.

Great Western Savings has Los Angeles offices at Seventh and Hill, Crenshaw at Vermont, and Manchester at Fernmont, and in Gardena, Lakewood and Lawndale.
