YARD SPACE MAKES EXTRA INCOME FOR LOCAL FAMILIES

For Little Cash, Owners Now Installing Profitable Rental Units on Lot

Because there are many more tenants than there are desirable houses for rent in this area, numerous local homeowners are said to be prospering by adding one or more houses on the same lot as their present home. The newly built houses bring in attractive monthly rentals which pay all costs and returns extra cash to spend, state enthusiastic local owners.

For example the well-known boxer "Cisco" Andrade is now having a house built in his Mother's yard. The rental will provide her with some retirement income as well as meeting the house payments.

The economical construction of houses on the owner's vacant lot or yard is a specialty requiring knowledge of the best financing and building practice. One specialized building firm, Harmony Homes, has built over 7,000 homes, many times with terms of no money down to the home owner, it is reported.

Harmony Homes, world's largest on-your-lot builder with 19 construction centers throughout Southern California, are the only on-your-lot builders: 1. offering a written money back guarantee on every home they build, 2. granted indemnity agreements by every major title company in the area, 3. with a rigidly enforced quality control system. Harmony Homes builds quality 2, 3 and 4 bedroom homes ranging in price from \$4245.00 with 100% financing available depending on model and area.

Call Harmony Homes, Daventport 6-7443, and discuss your situation with a qualified building consultant, or drop in at Harmony Homes at 23223 Arlington Ave. in Torrance today.
