Toastmaster Scott Albright To Be Honored

Scott Albright of Torrance Toastmasters Club is to receive personal recognition by Ralph Smedley, founder of Toastmasters at the Toastmasters International Convention at San Francisco this week. Scott is one of the few Toastmasters in the over 2900 clubs in the world who has completed the beyond basic trtining phase of Toastmastering. Thousands have applied for this advanced training project, 600 are currently active, but over the years only 180 certificates of achievement have been awarded.

Hanley Rogers, president of the club; Robert White, past president, and John Hedlund, will attend the convention with Scott. In addition to cheering Scott, they will act for the club in elections and garnering information to bring back to the membership.

One of the highlights of the convention which runs from Thursday through Saturday, will be the appearance of Dr. Frank Baxter of TV and college fame who will be the guest speaker at the Thursday evening program. On Saturday, the convention will close with an international night where many of the 30 countries outside of the U.S. will be represented.

Torrance Toastmasters Club meets the first and third Tuesdays of each month at the Fish Shanty at 7 p.m. The welcome mat is always out for visitors.
