

Just in time...

This winter millions of motorists won't wait for a St. Bernard to come to their rescue. They'll beat automobile frost-bite to the punch by adding all-winter anti-freeze to their cars' cooling systems.

The one vital ingredient in most all-winter anti-freezes is ethylene glycol—a chemical that keeps your car from freezing up, yet won't boil off during a warm spell.

The men and women of CARBIDE, who make millions of gallons of ethylene glycol in Torrance, are proud that their work contributes to the nation's motoring efficiency.

"we chose gas!"**

Finest automatic features, dependable free service, and regular savings have made Gas cooking the first choice with 85% of all new home owners. Today's new Gas ranges cost less to buy and install—less to operate, too. While the cost of living has increased 100% since 1940, gas rates are up less than half that much and still remain far below competing fuels and services.

Moose Lodge Leaders Plan Busy Week

George W. Clay, governor of the Torrance Moose Lodge, will lead a delegation of lodge members to a meeting of the South Central District of the California Moose Assn. to be held at the La Mirada lodge next Sunday, Nov. 22, at 1 p.m. The Torrance Moose Lodge will host a "Father and Son's" dinner for the lodge-sponsored Boy Scout Troop 315. Arrangements for the dinner are under the direction of members of Explorer Unit 315X. H. D. Casson is the lodge institutional representative of the troop.

A BREAKFAST, open to the public, will be presented by the Scout troop at the lodge hall, 1744 W. Carson St., next Saturday morning. Breakfast tickets of 50 cents for adults and 35 cents for children are being sold this week by members of the troop and Explorer unit.

James A. Evans, lodge secretary, has announced that an enrollment ceremony for new members will be presented at the lodge hall next Tuesday, Nov. 24, at 7:30 p.m.

Reservations are being accepted by lodge committee members for the first annual "Candlelite" dinner-show and dance to be presented by the Sports committee at the Moose hall on Saturday, Dec. 5. Roger Evans, chairman, announced this week. Seating will be limited to the first 100 applications for reservations.
