Proof of God's Care Given in Sunday's Topic

Proof of God's care and His ability to maintain His creation is compiled in the Lesson-Sermon to be heard Sunday in all Christian Science churches when the citations from the Bible will correlate passages from the Christian Science textbook on the subject "God the Preserver of Man."

The Golden Text echoes for this age the words of the prophet Nahum, who centuries ago described God's power and goodness in the Scriptural passage which will be used for the Golden Text, "The Lord is good, a strong hold in the day of trouble; and he knoweth them that trust in him" (1:7).

In the 91st Psalm David also declared, "He is my refuge and my fortress: my God; in him will I trust" (2).

Referring to passages from the Bible, Mary Baker Eddy says in "Science and Health with Key to the Scriptures," "The history of Christianity furnishes sublime proofs of the supporting influence and protecting power bestowed on man by his heavenly Father, omnipotent Mind, who gives man faith and understanding whereby to defend himself, not only from temptation, but from bodily suffering" (p. 387).

Church of God Choir Records Pageant Music

Chancel Choir members of the South Bay Church of God, 17615 Yukon Ave., recently recorded the background music for the Fifth Annual Christmas Pageant which is presented on the lawn of the church. The robes and costumes are now being repaired and made ready. The case and those in charge of props are looking forward to again presenting the story of the Birthday of a King, the Christ of Christmas.

Rev. C. L. Tierney, pastor of the church, narrates the story of Christmas just as recorded in Matthew and Luke.

The public is invited to attend the pageant which will be presented nightly at 7 p.m. and again at 8 p.m. beginning Thursday, Dec. 17 through Dec. 23. One week only.

Torrance Man Gets New Job With PT&T

Dale Berkstresser of 2217-178th Street has been appointed plant operating assistant for Pacific Telephone in downtown Los Angeles, the company announced this week.

Berkstresser in his new assignment will assist the district toll maintenance superintendent in maintenance and operation of private line, telephone, and telegraph toll services.

The communications worker started his career in Los Angeles in 1947 as a splicers helper. Succeeding appointments included those of lineman, transmission man, and chief transmission man.

He and his wife, Elsie, have two children, Dale Lynn, 6, who attends Arlington Elementary School, and David Eric, 3.

My Dear Girl Named 1959 Champion Filly

The younger generation of race horses demonstrated this year that Kentucky has no monopoly on the production of Thoroughbred champions. The TRA Board of Selection has voted Mrs. Frances A. Genter's Florida-bred My Dear Girl the Champion 2-year-old filly of 1959. Their vote was without dissent among the 25 racing secretaries at TRA tracks who make up the Board.
