FIAT

'1100' SEDAN

The Fiat '1100' sedan has 6 passenger seating and will cruise all day at a snappy 70 miles per hour. Its 42 horse power water cooled engine will give the careful driver 37 miles per gallon on regular gas.

This car comes equipped with a fresh air heater & defroster, turning signals, white wall first line Pirelli or Michelin tires, and single or two tone colors. Standard equipment includes such items as window washers, 3 interior courtesy lights, arm rests, foam rubber seats, a tool kit, oil filter and many other comfort and safety features. The brakes are enormous and are made of flumed aluminum for fast heat dissipation which makes them fade proof.

The car handles beautifully and will take the roughest roads at high speeds and still give you a comfortable ride. The quality of construction is amazing for such a low priced car, and nowhere will you find poor fit or rough and uneven finish. Due to its extraordinary durability and the Fiat factory backing of service and spare parts, it maintains a high resale value, so that your investment is well protected.

Drop in and drive one of these fantastic cars. The price is only—
