for board and room and with the remaining \$15 purchase all his books, clothing, entertainment, and if anything is left over, he gets a haircut.

IN SPITE of his flair for comedy, Younggreen has a serious side. He is president of Lambda Delta Sigma, a fraternity of Letters Day Saints' students on campus.

Younggreen's performance on Saturday night will be his final one at ECC. He will leave Feb. 1 for the Brigham Young University at Provo. The energetic youth states philosophically, "I might as well be broke at a four-year college as a two-year one."

Legislative Analyst Says State Surplus is 'Not a True Surplus'

By RICHARD RICHARDS
State Senator

An expected surplus of \$74,000,000 in the state general fund is now in view by the end of the present fiscal year on June 30.

By the same date in 1961, the amount may come to as much as \$134,000,000, according to State Legislative Analyst A. Alan Post.

At the same time, the administration has made it known that it does not regard this money as a true surplus, but rather as a source of funds to "handle urgent building and other capital outlay needs deferred during recent years of fiscal crisis."

These facts were brought out when members of the Senate inquired whether consideration of state building needs had been included in the estimate of a \$134,000,000 surplus by June 30 of 1961.

The Legislative Analyst replied that they had not, and strongly recommended that the Legislature use this carry-over for capital outlay purposes as might be required.

During the past 10 years the state has been spending approximately \$90,000,000 for

capital outlay. An appraisal of prospective requirements for state colleges and the university, as well as other state functions, indicates the need for some \$100,000,000 to \$150,000,000 each year in capital outlay.

A possible addition of some \$20,000,000 would be required if recommendations for salary increases by the State Personnel Board are accepted by the Legislature.

District Office For 1960 Census Opened in Area

Establishment of a district office for the 1960 Census of Population and Housing at 353 E. Queen St., Inglewood, was announced yesterday by Director Leonard C. Isley of the Census Bureau's regional office at Los Angeles.

Robert S. Reese will be supervisor of the district office. He will direct a force of 43 crew leaders and 674 census takers in Palms Verdes, Torrance, Redondo Beach, Hermosa Beach, Manhattan Beach, El Segundo, Inglewood, and a small section of the city of Los Angeles north of Inglewood.

Taking the 1960 Census nationally will require the services of 160,000 enumerators, 10,000 crew leaders, and 400 district supervisors, all temporary workers.

The district supervisors, working under the general direction of the permanent regional field directors, are responsible for all phases of the census in their districts. Duties of the district supervisor include the recruiting of the crew leaders, obtaining space for crew leader training, recruiting and training a small office staff, reviewing the completed questionnaires, and direct supervision of the field canvass which begins on April 1.

Prior to the start of the census, all households will receive in the mail an Advance Census Report Form, a new census-taking device which is designed to speed up the field canvass and provide more accurate statistics. Distribution of this form, which contains the basic population and housing questions, gives the family a chance to assemble information about each member in advance

More Than 1000 Plan to Attend Scout Banquet

Nearly 1000 adults active in Scouting have made reservations for the Los Angeles Area Boy Scout Council's 45th annual meeting, which will be held at 6:30 p.m. Thursday, Jan. 28, at the Biltmore Bowl.

This year's annual dinner will also begin local observance of Scouting's 50th anniversary in America. Jubilee year celebrations will be held throughout 1960, with special observances during Scout Week, Feb. 7-13.

Ernest J. Loebbecke is general chairman of the dinner, assisted by Carrol R. West.

COMMITTEE chairmen are Emmett C. McGaughey, Otis Hale Warn, Steve Brody, Peter J. Pitchess and William E. Moore Jr.

"Scouting for All Boys" will theme the meeting.

Presentation of the Silver Beaver Award to 20 outstanding men will be one of the evening's highlights.

The Scout Executive's report by Arnold C. Sorenson and the outgoing President's report by Harold W. Sanders will precede installation of the new Council president for 1960.

THIS YEAR'S Council annual report will take the form of a narrated tableau theme around the friendship of Scouts from many countries for each other. The story will be told by a man portraying the Scoutmaster in a setting which will reproduce Norman Rockwell's famed painting, "The Scoutmaster."

Tickets to the 45th annual dinner meeting may still be obtained from the Los Angeles Area Council Scout office.
