PEP BOYS REVEAL EIGHTH ANNUAL TRAFFIC SAFETY ESSAY CONTEST

Pep Boys Auto Supply Stores today announced the availability of their 8th Annual Four Year Engineering Scholarship to a state college or university. A traffic essay contest and other qualifications will help determine the winner according to Murray Rosenfeld, Pep Boys general manager. Scholarship entry blanks are available now from senior high school class counselors and driver training teachers.

In addition to the scholarship, trophies and \$50 savings bonds will be awarded to the three students writing the best essays on "What I would do to prevent traffic accidents and save lives." The essay competition is conducted annually, according to Mr. Rosenfeld, to impress upon the young people of today the urgent need for ways and means to reduce the

terrible death and injury toll on the highways.

The final winner is determined by the excellence of his essay, scholastic standing, good citizenship and a college entrance examination. The scholarship provides tuition, books and supplies for a four year term and is open to all high school seniors graduating in June 1960. The essay deadline is March 3.
