

PHONEMAN JOE CLARK
Eats Way to Perfect Score

JOE CREDITS WIFE'S COOKING WITH RECORD

Walter "Joe" Clark hurdled the number "13" without any apparent trouble recently with the announcement by Pacific Telephone that he just completed 13 years of perfect attendance.

The Torrance resident of 2011 Reynosa Drive owes his perfect record, he says, "to my wife's good cooking." Clark began his Bell System career in Wilmington in 1946 as a frameman in the central office. The PBX repairman also noted that he's been lucky to be able to escape so far the

many childhood illnesses his four children, Arlyene, 12, Susan, 10, Sandra, 6, and Mike, 5 have had over the years. Clark's health tips to those who would also like to go "13" without an illness is to stay active. He and his wife, Bonnie, bowl and ice skate frequently.

Harbor Grange Plans Valentine Party Saturday

The Harbor Area Grange No. 774 will hold a Valentine Party Saturday night at the American Legion Hill, 24702 Narbonne Ave., in Lomita, it was reported this week.

The evening will start with a pot-luck supper at 6:30, according to Master Cletis Campbell.

Silveroda McGhee and his square dance club from Long Beach will entertain and Allen Davies will present a skit, Campbell said.

A musical program will follow. The public is being invited to attend the affair.

Harry Shuder Bust To Be Shown Here

The bust of Dr. Harry Shuder, sculptured by Marcus White, well-known South Bay sculptor and winner of many areawide art shows, will be shown publicly for the first time at the first lecture of the Harry A. Shuder Memorial series next Tuesday evening at the El Camino Campus Theater.

Emily Taft Douglas, wife of the senior senator of Illinois, will give the first lecture at 8 p.m. on Tuesday, according to Dr. Peter Pinto, chairman of the memorial committee.

Mrs. Douglas will speak on "The Past is Prologue," Dr. Pinto said.

The memorial service next week is an effort to honor the memory of Dr. Shuder by fostering those ideals of liberal thought, philosophy, scholarship, and social progress which he advocated, sponsors of the program report.

Dr. Shuder served as volunteer charter minister to the Pacific Unitarian Church during the first 15 months of its existence.

Ticket information on Tuesday's program may be obtained from Mrs. Pinto, who resides at 532 Camino de Encanto.
