

Area Teenagers To Hear Pilot Talk Saturday

Joe Bielick, dean of men at La Sierra College, Arlington Cal. sometimes known as the "praying pilot" will relate his experiences as a World War II flyer Saturday as he addresses a convocation of youth from the South Bay - Centinela Valley area.

An expected 300 youth and their friends will gather Saturday afternoon at 3 o'clock at the Torrance Seventh day Adventist Church, 1610 Acacia Ave. in their quarterly, "Share Your Faith," rally and singspiration.

TEEN-AGERS of Torrance Seventh-day Adventist Church are out to prove that modern youth still know and read the world's oldest Book.

The local two-member quiz team representing the Torrance church are Sherryl Sparks, 1615 Banning Blvd., Wilmington, and Martin Thorson, 826 W. 130th St., Gardena.

This team is one of more than 65 teen-age teams from Southern California Seventh-day Adventist churches competing in some 20 contests to team in Southern California.

THE PURPOSE of this contest," said Louie Miller, 20852 Halldale Ave., youth leader and president of the district youth federation, is to emphasize that young people can be happy being Christians as well as being happy playing ball and that young people can be Christians playing ball as well as sitting in church."

On April 16, a Southland-wide contest will determine a final winning team. This team will compete in a Western states contest near San Francisco in May. Winner of the Western contest will compete in a contest of winning regional teams from throughout the United States and Canada at Atlantic City, N.J. June 21-25, 1960.

Directing the contest will be Ellsworth S. Reile and William Henry, Glendale, Youth Activities directors of the Southern California Conference of Seventh-day Adventists.
